Humphrey Presses Nixon For Face-To-Face Debate

FIREMEN RUSH UP to a burning garage hit by the wreckage of an executive jet plane which crashed Friday as it groped through fog trying to land at the Hollywood-Burbank airport. Two occupants of the plane were killed as was a woman backing a car out of the garage. (AP Wirephoto)

Fair Trains Collide; One Dead, 50 Hurt

SAN ANTONIO, Tex. (AP) — Eleven minimonorail cars derailed at the HemisFair Sunday, killing one person and injuring 49 after one of the trains struck another.

Thirteen of the injured remained in hospitals today as an investigation began to determine the cause of the accident.

Witnesses said the cars derailed after one train struck another from behind as they were rounding a curve by the HemisFair infirmary.

Bystanders and fair employes rushed to rescue the injured from the cars, two of which had fallen into a lagoon beside the 12-foot-tall monorail. One woman was saved from drowning.

"It was horrible," said Chris Ilg, 21, of Akron, Ohio, a fair employe. "I heard a tremendous crash and I saw people falling out—a little boy fell out, and people were screaming and asking where their families were."

"It was like a slow snake creeping down," she said.

The dead woman was identified by hospital officials as Emilee Schmidt, 65, of Ellisville, Mo. Her sister-in-law, Ella Schmidt, 71, of Glencoe, Mo., was injured and in fair condition.

One of the injured Ella Jacobs, 74, of Hallsville, Mo., was listed in serious condition.

The tragedy struck on the day HemisFair had its second highest attendance. HemisFair spokesmen said 89,678 visited the fair Sunday, bringing the total to 5,551,322 since the fair opened April 6. The record one-day high is 100,486. The exposition closes Oct. 6.

It was the third known mishap involving the brightly colored trains and the first in which anyone was injured, officials said. Fire damaged four cars during a test run before the fair opened, and one officer said a collision similar to Sunday's occurred in the early days of the fair. It was minor, however, and no one was injured, he said.

Police blamed Sunday's collision on faulty brakes but John Moore, manager of the 1.5-mile long monorail system, disputed this account.

Some of the trains resumed operations Sunday night.

Ishpeming Man Killed In Crash

By The Associated Press

Weekend traffic accidents in Michigan took 22 lives this weekend, including a 42-year-old Ishpeming man who was riding a motorcycle for the first time in his life.

State Police said the victim, Albert Mosca, was on a motorcycle that collided with a car Sunday at Ishpeming Township in Marquette County.

The Associated Press weekend traffic count began at 6 p.m. Friday and ended at midnight Sunday:

Edla Lakvold, 73, of Kenosha, Wis., a passenger in a car which pulled in front of another auto Saturday on U.S. 2 in Gogebic County's Ironwood Township.

Roberta Clymer, 23, of Bayside, N.Y., and Regina M. Carne, 57, of Houghton, passengers in a car which collided head-on with another auto which, police said, strayed across the center line of U.S. 45 in Ontonagon County's Haight Township Saturday.

Tugs Pull Ship Free At Sault

SAULT STE. MARIE (AP)—The lower St. Marys River, bottled up over the weekend by a freighter which had run aground in the fog, was open to traffic today.

A Coast Guard spokesman said the Great Lakes freighter August Ziesing was freed Sunday after a portion of its cargo was removed.

The ship was taken to Lake Nicolet for reloading of cargo and where inspection revealed damage to the propeller and the rudder.

The tug John Purvis of Sturgeon Bay, Wis., will tow the freighter to Chicago for repairs.

The ship was carrying a cargo of nearly 15,000 tons of iron ore when she went aground and attempts to free the freighter were unsuccessful Friday and Saturday.

Some of the cargo was transferred to barges and some of the gates on the river were closed to slow the current so three tugs could pull the ship free.

Czechs Are Promised 'Sun Will Shine Again'

PRAGUE (AP) — Czechoslovakia's Communist leaders urged their people in weekend speeches not to lose hope despite tightening censorship and other restrictions demanded by the Soviet Union.

Communist party chief Alexander Dubcek and other top officials took to television to bolster public confidence in their will to revive and continue the highly popular liberalization program while still meeting Moscow's insistence on measures to secure and perpetuate communism in Czechoslovakia.

The speeches also made plain that there will be no more freedom for anti-Communist political activity.

The appeals for hope were directed partly at thousands of Czechs and Slovaks in Western Europe who are hesitating about coming home and at many who contemplate moving abroad if the borders aren't sealed.

A major Sunday television program was introduced with a panorama of the Prague skyline and a girl singing a melancholy folk song "After the tempest, the sun will shine again." National Assembly President Josef Smrkovsky repeated the sentiment: "It will not be easy and it won't be right away, but the sun will shine again."

Smrkovsky pledged anew that the leadership will tell the truth to the people even when this is difficult. He said that "if it is not possible to tell the truth, I would prefer to keep quiet."

In spite of the appeals for hope and the relief felt over withdrawal of Soviet tanks and paratroopers from the cities to rural and frontier areas, the predominant mood was sadness.

With roads free again for civilian traffic, thousands poured into the countryside under gray skies Sunday, riding in trains and hordes of small automobiles.

Traffic jams miles long developed when everybody started back to Prague Sunday night. But the Czechoslovaks showed the discipline that has marked their nonviolent resistance to the occupation. The only honking and cutting out of line was by cars with foreign license plates.

A gas station attendant remarked that "everybody is out driving because they aren't sure about future petrol supplies once that new pipeline from Russia is brought in." He was referring to the pipeline provided for in a new economic agreement signed in Moscow last week by Premier Oldrich Cernik.

Today's Chuckle

Why is it that if a man does something foolish, people say: "Isn't he silly!" And if a woman does something foolish, people say: Aren't women silly!"

Millage Approved

DURAND (AP) — Voters in Durand Saturday approved a one-year, six-mill school package 857-793. It was the third time this year the millage proposal was put on the ballot.

Reds' Ammo Seized

SAIGON (AP) — South Vietnamese and U.S. forces dealt their enemies heavy casualties in fierce fighting Sunday and seized tons of stockpiled ammunition, including a rocket launcher and a large cache of rockets and mortars threatening Saigon.

Communiques reported 184 Viet Cong and North Vietnamese killed in two savage fights south of Da Nang and along the Cambodian border near the Duc Lap Special Forces camp. Another 169 enemy soldiers were reported killed in a dozen smaller skirmishes from the Mekong Delta to the demilitarized zone.

Allied casualties were put at 44 dead, 109 wounded and 11 missing. South Vietnam forces were involved in the major fights and suffered the bulk of the allied casualties—33 dead, 70 wounded and 11 missing.

Fight Near Da Nang

Ten miles south of Da Nang elite South Vietnamese rangers backed by armored personnel carriers, dive-bombers and helicopter gunships reported killing 114 Communist troops threatening South Vietnam's second largest city. The rangers suffered considerable losses, too, 17 killed and 41 wounded.

Enemy gunners sent five rounds of big Russian-made 122mm rockets slamming into the eastern part of Da Nang Sunday night. Most of the rounds fell near the headquarters of the South Vietnamese 1st Corps, and eight civilians were reported wounded.

In support of the government infantrymen at Duc Lap, the U.S. Air Force's B52 bombers dumped more than 250 tons of explosives on troop concentrations four to six miles northwest of the camp.

Rockets Seized

An allied force sweeping the southern approaches to Saigon found a 107mm rocket launcher with up to a dozen tubes for simultaneous firing nine miles south of the capital. A stockpile of more than 200 big 122mm rockets, 82mm mortars, and smaller bazooka-type rockets was unearthed 10 miles northwest of the capital.

Military spokesmen said other ammunition and supplies seized over the weekend would be enough to sustain two Communist regiments of 5,000 men for several weeks.

One of the biggest stockpiles ever found in the war was turned up by South Vietnamese mercenaries and their American leaders along the Cambodian border 65 miles north of Saigon. It took eight big Chinook helicopters to haul off the ammunition, which included more than a million rounds for automatic rifles.

Two Are Dead In Detroit Fire; Find Hands Were Tied

DETROIT (AP) — Two men were found dead in an East Side apartment early today, by firemen called to the apartment to fight a fire.

Both bodies were found on a bed, which was badly burned, as were the bodies. The fire was contained to the apartment.

One victim was identified as the caretaker, 50-year-old Arthur Arion, whose hands were tied behind his back. The other victim was not immediately identified.

A can of lighter fluid was found near the bed.

Flooding Sweeps Southern Britain

LONDON (AP) I Gales and torrential rain lashed southern England today, adding to the havoc caused by the worst floods in 15 years. The army moved in to help with relief and rescue work.

Road and rail services were disrupted over thousands of square miles from Kent in the east to Dorset in the west. Hundreds were homeless. Thousands of London commuters couldn't get to work.

Authorities kept anxious watch for higher tides along the east coast and the Thames Estuary, where northeast gales brought a new and more serious threat. The combination of northeast gales and higher tides in 1953 caused Britain's worst floods of the century, with 307 persons drowned.

This time the only casualty so far was a woman swept away from her car as a river inundated a road in Sussex. Her daughter was swept away, too, but was found alive clinging to a tree half a mile down river.

The weather bureau said the nonstop rain which caused the floods was the product of a freak collision of two air streams. One, heading north from the Bay of Biscay, was warm and moisture-laden. The other, from the northeast, was cold. Their impact brought severe electrical storms.

Helicopters went out at dawn to survey possible routes to several Kentish towns and villages reported completely isolated.

The River Wandle, normally little more than a stream, broke its banks during the night at Wimbledon in South London, flooding scores of houses. Schools and a bingo hall on higher land were used as shelters.

Lewisham, a busy shopping center in southeast London, was like a lake. Water stood four feet deep in the streets. Damage to stocks in department stores was immense.

Road and rail links were hardest hit in Kent, Essex, Surrey and Sussex, the four counties which supply the bulk of London's commuters. Thousands of cars were abandoned. Mudslides poured over rail lines already disrupted by electrical failures.

Swedish Voting Gives Socialist Party Victory

STOCKHOLM (AP) — The Socialists strengthened their 36-year grip on the Swedish welfare state with a smashing parliamentary election victory Sunday, the biggest vote of confidence the Social Democratic party has won since the war.

The outcome was a surprise to most political commentators, who had expected a much closer race. It also checked the trend to the right in Scandinavia. Both Norway and Denmark ousted Socialist governments in the past two years in favor of non-Socialist governments.

On the basis of computer calculations, the Socialists provisionally took 49 per cent of the vote and 125 of the 233 seats at stake in the lower house of Parliament, a gain of 12 seats.

The combined opposition dropped seven seats to a total of 108 while the Communists retained only three of their eight seats.

This gave the Socialists a majority of 17 seats, their first since World War II. In the last house, they had a working majority of nine because the eight Communists always voted with them.

Some slight rearrangement of seats could result from the estimated 300,000 mail votes. Although the computers were keyed to reflect them, the volume was at least 65 per cent above the 1964 total.

Political commentators attributed the sharp reversal in Socialist fortunes, after a setback in local elections two years ago, to two factors:

1. The record size of the poll —an estimated 89 per cent of the eligible voters—showed that the Socialists brought out supporters who in the past stayed home because they took a Socialist victory for granted.

2. The Czechoslovak crisis aroused a feeling of uncertainty about the future which rallied voters around the party in power. It also accounted for the sharp drop in the Communist vote, most of which is thought to have gone to the Socialists.

Premier Tage Erlander, architect of Sweden's welfare state and the party leader for the last 22 years, told newsmen there was a third reason: "We have regained the confidence of the young voters and that is of decisive importance for the future."

Erlander, now 67, said he would not lead his party into the next election in 1970. Olof Palme, 41-year-old minister of education, is most often mentioned as his successor.

Weather

ESCANABA AND VICINITY—Sunny with increasing cloudiness this afternoon, high 75. Occasional rain tonight and Tuesday with little temperature change. Low tonight 55. Yesterday's high was 71 and the overnight low was 62. Winds will be out of the southeast at 10 to 20 mph today and tonight. Precipitation probabilities: today, 40%; tonight, 60%; Tuesday, 60%. Wednesday partly cloudy and cooler.

Upper Peninsula — Mostly cloudy, chance of showers in the west and central with highs in the middle or upper 70's this afternoon. Occasional rain likely tonight and Tuesday. Cooler Tuesday. Lows tonight 56 to 64. Highs Tuesday 65 to 70.

Sun sets today at 6:58 pr m., and rises Tuesday at 6:29 a. m.

VICE PRESIDENT Hubert H. Humphrey, left, appears to be the loser today to Hays Gorey of Time magazine in a foot race on the beach at Sea Girt, N.J. Humphrey challenged newsmen to a race and Gorey took him up on it. (AP Wirephoto)

Senate Starts Gun Curb Vote

WASHINGTON (AP) — Sen. Hugh Scott urged the Senate today to reject what he said were weakening amendments to the gun control bill, including one he said would exempt ammunition controls for nearly 90 per cent of all weapons.

"It excludes from coverage ammunition of the type that killed President John F. Kennedy, Dr. Martin Luther King Jr., Sen. Robert F. Kennedy and Medgar Evers to take but a few examples," the Pennsylvania Republican said in a prepared speech.

Scott's appeal came as the Senate prepared to start voting on a series of amendments on the bill. Rifles, shotguns and ammunition would be added to the already enacted ban on mail order sales of handguns under the proposed law.

The bill as introduced also would prohibit sale of rifles, shotguns and ammunition to persons under age 18, handguns and ammunition to those under age 21, and sale to out-of-staters of any firearm.

Scott said that in addition to the ammunitions amendment three other amendments added by the Senate Judiciary Committee would incorporate exceptions that "substantially endanger its effectiveness" by:

—Authorizing issuance of "collector's licenses" which Scott said would virtually exempt a person from all controls in the bill.

—Permit over-the-counter sales of firarms to persons from adjoining states so long as firearms laws of neither state involved were violated.

—Loosen standards to permit issuance of a dealer's license to a person who does not conduct commercial operations.

Alongside the amendments before the Senate is a substitute bill sponsored by Sen. Joseph D. Tydings, D-Md., which would require the registration of all firearms and licensing of their owners.

Its approval was considered unlikely. Registration and licensing proposals have been voted down both by the House and by the Senate Judiciary Committee.

Sen. Joseph S. Clark, D-Pa., denied that a proposal for state control of guns would lead to confiscation of guns or would impose fees on sportsmen.

Clark said in a statement that he thinks states should require gun owners to obtain licenses. He said federal law should apply only if the state does not act.

Saginaw Ruckus Hospitalizes 16

SAGINAW (AP) — This city of 98,265 was back to normal today following fighting, rock throwing and window smashing early Sunday on Saginaw's Southeast Side.

Police said the ruckus developed after expulsion of 200 to 300 youths, mostly Negro, from the Saginaw County Fair.

Sixteen persons required hospital treatment for injuries suffered in the two-hour melee. Two were admitted after treatment.

At least 32 windows were smashed in buildings in the predominantly white section of Saginaw bordering the fairgrounds.

Authorities blamed arson for a fire which destroyed Schmelzer Roofing Co. during the outbreak. Joseph E. Schmelzer, owner, estimated the loss at $350,000.

Police said there were at least five attempts at arson, one before and four after the ruckus broke out. Only one caused major damage, this to the Fiege & Son warehouse in the Fisner Building.

A flammable fluid was poured over two rolls of carpeting and set ablaze. This set off an automatic sprinkler system which doused the fire but damaged furniture and other carpeting stored in the warehouse.

Police said most participants in the disturbance appeared to be from 15 to 21 years old.

Police were unable to say what caused the outbreak but one officer concluded, "I doubt that because they were asked to leave the fair had anything to do with it.

"I imagine it will be a couple of days before investigating officers can get down there and find out what they were unhappy about," he added.

Police said fair officials reported about 12 cases of stolen purses and minor assaults and decided to close the fair early since it was the last day.

Correct Heart Defect In Baby

ANN ARBOR (AP)—Officials at University Hospital in Ann Arbor said today an infant Traverse City boy was in good condition after undergoing surgery Saturday to correct a heart defect.

The son of Mr. and Mrs. Harry Peterson, he was flown to the hospital only five hours after birth to have a pulmonary cyst removed from his chest.

The baby was flown by a Coast Guard plane Saturday to Willow Run Airport, outside Ypsilanti, and then rushed by car to the hospital.

GOP Nominee Ahead In Polls; Ignores Prods

By The Associated Press

Hubert H. Humphrey has stepped up his campaign to press Republican presidential opponent Richard M. Nixon into a face-to-face debate. Nixon's people say, meanwhile, he isn't going to be drawn into a running argument.

Humphrey accused Nixon Sunday of refusing to speak out on vital issues and expanded his challenge for nationally televised debates to include the two vice presidential candidates.

"Sen. (Edmund S.) Muskie and I are ready—anytime, anyplace, anywhere," Humphrey said in a statement. "We are waiting to hear from our opposition."

Nixon's national political director, Robert Ellsworth, without referring to televised debates, said the Republican is not going to be enticed into spending his time answering Humphrey charges in a running argument.

Woos California Vote

"That's what you do when you're behind in politics," Ellsworth said in Santa Barbara. "You try to provoke a fight with the other fellow."

With four polls and surveys showing him well ahead of Humphrey at this point, Nixon concentrated instead today on trying to win the California vote and the state's 40 presidential electoral college votes.

In other political developments:

—Democratic vice presidential candidate Muskie said many Americans are drifting to the view that immediate crime control is more important than eradicating poverty but said the nation "cannot put a wall around black people and buy safety and security for the society."

Muskie was interviewed on ABC's "Issues and Answers."

Spur To Violence

—Republican vice presidential candidate Spiro T. Agnew blamed increasing crime on confusion over what is proper dissent, and accused Humphrey of adding to the problem in 1966 when he said if he lived in the slums he could "lead a mighty good revolt."

"Once you give a nervous, hostile and ill-informed people a theoretic justification for using violence in certain cases," Agnew said in Chicago, "it is like a tiny hole in the dike—it's limits are not predictable."

—Campaign manager Lawrence F. O'Brien strongly suggested Humphrey will demonstrate in coming weeks he is "his own man" even if this leads some to think "Mr. Humphrey's views do not necessarily coincide with those of President Johnson."

O'Brien was interviewed on NBC's "Meet the Press."

Wallace At Convention

—Third party candidate George C. Wallace planned campaigning in Texas, Oklahoma and Missouri this week, starting today with an appearance in Dallas where his third party's Texas convention starts Tuesday.

Humphrey accused Nixon of failing to make "unequivocal statements of position" on gun controls, the nuclear nonproliferation treaty and confirmation of Abe Fortas as chief justice.

He questioned whether Nixon's endorsement of the nonproliferation treaty while urging postponement of its Senate ratification was an attempt to appeal to both sides on the issue.

He said Nixon has expressed opposition to a filibuster of Fortas' confirmation but has not called on his Senate supporters to abandon plans for a filibuster.

Youth Praised

Nixon reiterated his opposition to compulsory military service Sunday and made a strong appeal for the support of young people who he said are unhappy with the present Democratic leadership.

"Young people will make up an important part of the next administration because we need young men and women with young ideas to move this country forward," he said in a statement.

"For every young revolutionary who wants to tear down

Hiawatha Pays $49,474 To Six Counties In U.P.

Payments made to the states as their share of national forest receipts reached an unprecedented $1,510,770 in the 20-state Eastern Region for the fiscal year ending June 30, Regional Forester George S. James announced in Milwaukee today.

The Hiawatha Forest in the Upper Peninsula returned $49,474 as a quarter of its earnings, which was a decline from $58,720 in 1967, reflecting the state of the area wood market.

This general figure, however, denoted the steady increase in shared funds, surpassing the 1967 total by over $160,500 and the 1966 total by nearly $290,000 in the region.

By law, 25 per cent of the national forest receipts are distributed to the states and counties in which the forests are located. These receipts must be used for road and school programs.

Total national forest receipts in the Eastern Region exceeded $6 million for the year ending June 30. These receipts are derived from the sale of National Forest timber, along with recreation and land use fees.

James noted that the lands producing this revenue have not yet reached their full potential and indicated increasingly higher revenues can be anticipated in the years ahead.

Pennsylvania, where the Allegheny National Forest stretches over nearly half a million acres, received the lion's share of the receipts, amounting to over $260,000.

Total national forest acreage within the Eastern Region is presently 10.3 million out of the 187-million acre National Forest System.

Michigan received $241,788 from its four national forests, two in the Upper Peninsula, the Hiawatha in the east and the Ottawa in the west, and two in the Lower Peninsula, the Huron and the Manistee.

The Hiawatha paid $49,474 in the following amounts to these counties: Alger $6,643; Cheboygan $1.87; Delta $14,087; Chippewa $12,667; Mackinac $8,535; Marquette $343 and Schoolcraft $7,196.

Ottawa paid $101,896: to Baraga $4,519; Gogebic $33,336; Houghton $16,563; Iron $19,659; and Ontonagon $27,817.

The Manistee paid $60,639 in 14 counties and the Huron $29,778 in 6.

In Wisconsin the Chequamegon Forest paid $51,578 and the Nicolet $66,320 for a total of $117,898.

Educational TV Presents Jazz, Pops Concert

Jazz saxophonist Stan Getz and the Boston Pops Orchestra, under the direction of Arthur Feidler, combine talents to provide nearly a two-hour program of music at 9:30 tonight on Northern Michigan University's educational television station.

Other featured programs this week on WNMR-TV:

"Wildcat Hilites," 10 p.m. Tuesday features film of the NMU-Northwood Institute football game.

At 10:05 p.m. Wednesday, "The Big Ten - 1968" includes interviews of football coaches Duffy Daugherty of Michigan State, Bump Elliot of Michigan and Woody Hayes of Ohio State.

BILL PERRON ANSWERS YOUR INSURANCE QUESTIONS

QUESTION: During the past several years I've accumulated quite a lot of photographic equipment and I've always had it insured under our residence theft insurance. A friend has suggested that I get some special camera insurance and I'd like to know if there is any big advantage in it?

ANSWER: The advantage of camera floater insurance is that it covers many other kinds of losses besides theft. It isn't an expensive coverage and is so broad in scope that we suggest you consult a good agent about it if your photographic equipment is getting to be worth a substantial amount.

This public service is our way of advertising. Your insurance questions will be answered without charge or obligation if you'll send or bring them to:

Clinic, Health Program Told

Announcement of plans for an orthopedic clinic, and reports on chickenpox among children in the area, were made today by Dr. Mary Cretens, director of the Delta-Menominee District Health Department.

The orthopedic field clinic will be held at the Central Methodist Church, Escanaba, on Tuesday and Wednesday, Sept. 17 and 18. Dr. William Smith, chief orthopedic surgeon, University of Michigan, will conduct the clinic, and Dr. Matthews, pediatrician and Basil Rocco, speech and hearing pathologist, will also be there.

The clinic is sponsored by the Michigan Department of Public Health Services to Crippled Children, Delta-Schoolcraft Medical Society, Delta-Menominee District Health Department and the Escanaba Rotary Club. Appointments are available by contacting your family physician, said Dr. Cretens.

Chickenpox cases are again being reported, she said Children having chickenpox are to be excluded from school one week from the start of the eruption. Imgetigo also is quite prevalent. Imgetigo is a skin infection which usually begins similarly to a pimple but spreads and crusts. These cases must also be excluded.

Questions are being asked regarding flu vaccine for this fall and winter, said Dr. Cretens. The new strain of Asian flu which had broken out in July in Hong Kong has declined now in number of cases. This disease has been quite mild.

Present manufacturers of vaccine probably will not have this new strain available until next year. Because it does not cause severe disease there is no great cause for alarm, she said. The older Asian strain may cause some disease this year also.

Because this strain does cause a severe disease, it is recommended that persons with chronic disease, elderly persons and persons working with the public be immunized with the conventional vaccines.

EARLY TO BED

LOUISVILLE, Ky. (AP) — Fast time still confuses 4-year-old Dana Bahm.

As she was tucked into bed at 8 p. m., her regular hour, the child asked: "Am I taking my nap or will I wake up and it'll be tomorrow?"

PARKER RAND JR. 20, Bangor, Maine amputee (second left) and Rudy Paquin, 59-year-old Tiverton, R. I., farmer, demonstrate with blocks the electronic arm in Boston. Small motor in the artificial arm is activated by electric currents from the stump of arm. They can lift up to ten pounds with it. At left is Dr. Allen Cudworth of the Liberty Mutual Insurance Co. who togteher with Harvard, Massachusetts Institute of Technology and Massachusetts General Hospital developed the limb. 'Dress-A-Doll' Time:

Bank Sponsoring Popular Contest

A prize contest which will provide beautifully - dressed Christmas gift dolls for many of the less fortunate children of our community was launched this week by First National Bank & Trust Co., Escanaba.

The name of the contest is Dress-A-Doll, and the bank will award individual prizes in six doll-design categories, plus a grand prize, for the best-dressed dolls in the contest.

Persons wishing to help provide a special Christmas gift for a deserving child may enter the contest now by stopping at First National main or branch office and pick up a free doll to design and sew a costume for.

The dolls, furnished by the bank, stand 18 inches tall and come dressed in shoes, stockings and underclothing. Contestants finish dressing the doll in their choice of costumes, in any one of six categories. The contest categories are: Fancy dress, Sensible dress, Nationality costume, Character costume, Knit & Crochet, and a special category for youngsters under 15 years.

When the costume is completed, the dolls are returned to First National Bank for prize judging and display. Shortly before Christmas, they will be turned over to the Salvation Army as Christmas gifts for children of this area who might otherwise be missed at Christmastime.

Last year's winners were Miss Linda Johnson, Bark, River Rte. 2; Mrs. Ruth Courier, 1525 N. 20th, Escanaba; Mrs. Dale Polkey, 400 N. 3rd Ave., Wells; Mrs. Phillip Daugherty, 312 S. 4th, Escanaba; Mrs. William Butts, Portage Point, Escanaba, Rte. 1.

Miss Jeanne Dittrick, Bark River, Rte. 2; Miss Linda Olson, Bark River; Mrs. George Nelson, 606 1st Ave. S.; Mrs. Delores Lancour, 520 N. 19th; Mrs. Joseph Chapla, Escanaba, Rte. 1; Mrs. Charles Tooman, 215 Ogden Ave., Escanaba; Mrs. Glen Johnson, Bark River, Rte. 2; and Mrs. William DeHaan, 307 S. 3rd St., Escanaba.

Jackson Man Is Held In Robbery

JACKSON (AP) — Robert F. Forbes, 34, of Jackson, has been arrested in Jackson on a federal bank robbery charge.

Forbes waived extradition to Illinois on arraignment before U. S. District Judge Fred Kaess in Detroit and was held in $50,000 bail in connection with the attempted robbery of the First State Bank of Harvey, Ill., on Aug. 27.

Briefly Told

The local chapter of the Michigan Kidney Foundation will meet at 8 p. m. Tuesday at the Chamber of Commerce Building. All interested persons are invited to attend.

Anyone interested in joining the Escanaba Moose Lodge 1675 is to attend the meeting Sept. 29 at 8 p.m. at Carpenter's Hall.

The first meeting of St. Anne's Home and School Association will be held Tuesday, at the school. Rooms will be open for meetings with the teachers at 7:30 p.m. and the business session will begin at 8. Officers will serve refreshments.

Escanaba Nnights of Colombus, Council 640 and all Third Degree officers are to meet in the council chambers at 8 tonight. All officers are urged to attend.

Hospital

Mrs. Lowell Thibault of Rapid River is a patient at St. Luke's Hospital in Marquette. Her room is 120. She was admitted last Wednesday.

Fishermen's houses in the windy, far-western islands of Finland have doors on all four sides so the occupants can always exit on the leeward side.

Our Legislators Make Selves Some Security

By JEAN WORTH

The Michigan Legislature has been accused of taking pretty good care of itself in the past session in travel expense, pensions and pay matters, but the session in general was outstanding.

We will be hearing about it from the legislators who will seek re-election on Nov. 5—representatives have 2 year terms and will be running; senators have 4 year terms and won't—and also from the persons who are opposing them for office.

There's been quite a bit of talk about the anti-crime bills that came out of the Detroit rioting, but there may be more significance in passage of the open housing law to outlaw discrimination against race in real estate sales than in the new provisions to deal with civil disorders.

Income Tax

The greatest action of the session was the enactment of a 2.6 per cent flat rate state income tax law. This long overdue reform in Michigan's method of financing state government came as the state's budget went past the billion dollar mark for the first time.

Gasoline and vehicle taxes for road building were increased, but this will only hold the state's highway construction program even if it can do that against inflated costs and there's still no prospect of an adequate Upper Peninsula highway system. The Mackinac Bridge tolls go down on Jan. 1 and state taxes go up to make up the difference; it reduces the discrimination against the Upper Peninsula but is in an unfortunate guise of "aid" to the U.P., which needs highways more than it does a toll reduction.

Top Issue

The hottest question coming up for the Legislature in the new year is school aid. It's hot enough normally, but now complicated by the request of some of the state's non-public schools for state aid. There have been legislative hearings this summer throughout the state on the issue. They found out what was already known:

1. The non-public schools (like the public schools) are hurting for lack of money.

2. The elements opposed to state aid to church schools aren't mollified by the suggestion that it will cost even more for the state to provide schooling for all its children than to help keep the non-public schools afloat.

Salary Commission

As the legislators come home to campaign for re-election they say:

1. They passed a bill authorizing Governor Romney to set up a 7-man commission on pay. It'll report by Dec. 1 on how much the governor, lieutenant governor, supreme court justices and legislators should be paid starting next Jan. 1. The legislators needn't accept the commission's pay proposals, they can reject it by a two-thirds vote in each house by Feb. 1.

This bill implements a constitutional amendment voted by Michigan voters in the Aug. 6 primary. Effective Sept. 20, the amendment ends the constitutional prohibition against raising a lawmaker's pay while he's in office.

Michigan legislators now get $12,500 a year in salary and $2,500 in expense allowance. They are now among the best-paid state legislators in the nation, getting about what the legislators in other industrial states like New York, Pennsylvania, Ohio, California and Illinois get.

Pensions Increased

2. Legislators increased their state pensions by 20 per cent. After four terms (8 years) at age 55 they get half pay.

3. They also did away with the old calculation of "railroad" mileage in figuring their travel allowance. It was the practice of Upper Peninsula legislators to figure their travel mileage between home and Lansing by way of Chicago, even if they didn't go that way.

From now on highway mileage will be used, at the same rate, 10 cents a mile. "Representative Davis (R-St. Ignace) and I will get less on a highway mileage basis," said Rep. Charles Varnum (R - Manistique). "But we used to be allowed two weekends a month home and now we're paid for four weekends, so it comes out the same."

This change was made by the Legislature by policy determination, not legislation.

Income Tax Ducked

4. Governor Romney vetoed a bill by which the Legislature exempted itself from the Lansing city income tax, but said he'd accept other legislation accomplishing the same end. Legislators from Detroit, Battle Creek and Flint, which have city incomes taxes, and Grand Rapids, which is going to have one, protested that they were assessed on income in both their home cities and in Lansing, the state capital.

Lansing has a half of one per cent levy on the incomes of "non-residents". Varnum, who voted for the exemption, said "The attorney general ruled it was all right to exempt ourselves, but the governor was asked by legislative leaders to veto it."

5. Senators proposed a bill to give themselves $20,000 a year for maintenance of home offices, but backed off under pressure. "The House had nothing to say; it wasn't for them," said Varnum, "we had no chance to act." The proposal is a recurring one at Lansing.

Buy and sell the classified way.

State Jobless Count, 231,000

DETROIT (AP) — The Michigan Employment Security Commission (MESC) reports that unemployment in Michigan stood at 231,000 or 6.7 per cent of the labor force in mid-August. This is 20,000 higher than the figure a year ago.

Malcolm Lovell Jr., MESC director, said that large - scale model change layoffs in the auto industry reduced factory employment by 56,000 in mid - August.

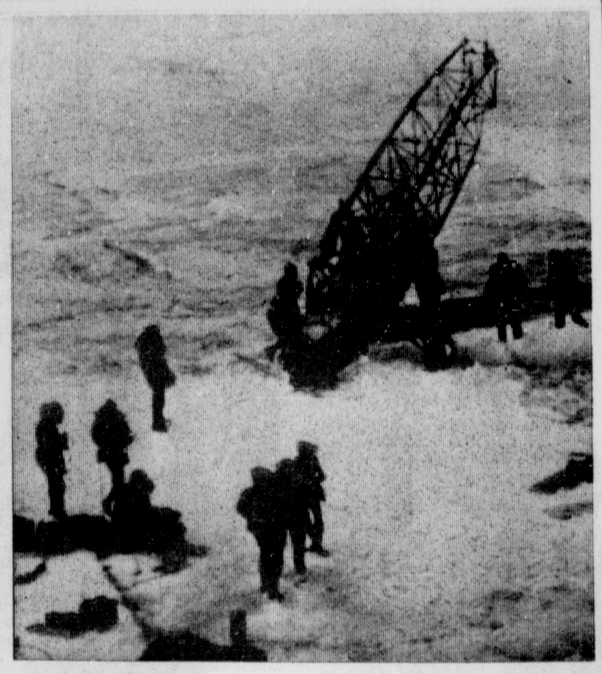

"Model change layoffs fluctuate between July and August from one year to another," Lovell explained. "This year August had a larger concentration of model change layoffs than July. The total labor force in the state a year ago was 3,387,900 - in August 1968, the total labor force was 3,438,400."

Lovell said settlement of the Detroit newspaper strike was a plus factor, but nonfarm employment declined slightly during the 30-day period ending Aug. 15., from 3,120,400 to 3,115,200.

HELPFUL HOUSE

HYDEN, Ky. (AP) — John Waage asked an elderly man how to reach the home of a friend he wanted to visit.

"Well," the old man said, "you go up a block and turn right and you'll meet the place where he lives coming to you on the left."

SALVAGE CREW works around wreck of single-engined Stinson plane that crash-landed 40 years ago 60 miles west of Sonderstrom, Greenland, while attempting a flight from Rockford, Ill., to Stockholm, Sweden. A Danish helicopter lifted the plane off the ice Tuesday to be delivered to the U. S. air mission in Sonderstrom. The pilot, Col. William H. Hassel and navigator Parker D. Cramer, both were unhurt in the crash. The aircraft will be shipped to Rockford whose citizens financed the original flight. Hassel still lives in Rockford. (AP Wirephoto via cable from Copenhagen)

Parks Open For Salmon Fishermen

LANSING (AP) — Salmon fishermen who find all the hotels and motels booked up during the busy season may still find room at state parks, advises the State Conservation Commission.

Those able to do without the luxuries and looking for modern outdoor facilities may find them at Orchard Beach, Benzie or D. H. Day State Parks. All are in the heart of the salmon country.

JOB OPPORTUNITY FOR CITY OF ESCANABA

The Escanaba Civil Service Department announces an examination for the position of LINEMAN.

Salary up to $3.62 per hour depending on experience.

City employes receive paid vacations, sick leave, paid life insurance, pension rights, and other benefits and privileges.

DUTIES: To construct, repair, maintain and inspect overhead and other electrical power transmission and distribution lines; and to perform related work as required.

Number of Vacancies: One (1)

RESIDENCE REQUIREMENTS: City residents will be given preference, but non-residents will be given consideration if experienced.

Application blanks may be obtained at the City Manager's office.

Last date for filing applications: September 25, 1968.

MINIMUM QUALIFICATIONS: 1) Completion of apprenticeship in overhead line work with a utility using modern practices and procedures.
2) High School Education
3) Experience in construction, repair and maintenance of electric transmission and distribution lines.

Taxpayers Sue Selves

The bus feud in the Escanaba Area School District has been taken into court in a suit by 10 rural parents and their 44 children. Fine! It may be the only way out. Everyone wants this issue rocked off center and resolved.

It's interesting that one of the charges leveled against the Board of Education and Supt. of Schools Luther M. Barrett is "discrimination" against the children's right to obtain a public education.

It's interesting, also, that the action was filed by U. P. Legal Services, Inc., a federal "War on Poverty" agency supported by taxpayers' money, against a school district supported by taxpayers' money because of a situation arising in part at least from a lack of taxpayers' money.

The defendents in the litigation, the Board of Education, five times in the past year attempted to get approval of its proposals for more local taxes to allow operation of a full school program, including transportation. Failing again Aug. 19, the school board accepted the public "mandate" and eliminated services to balance income with spending.

★ ★ ★

Perhaps the services eliminated were "discriminatory," but if this were true, what spending cutback couldn't be termed "discriminatory" against some segment of the school enrollment or staff.

The teaching staff, for example, is being compelled to operate under reduced appropriations for necessary equipment and supplies. The administration is forced to attempt a school program without necessary teachers. Custodial and secretarial staffs have been reduced. Bus drivers are out of jobs. Cooks were gone last year. And the students —the purpose of public education— are attending crowded classes without materials.

Isn't that discrimination?

The issue in the Escanaba Area public school bus situation isn't discrimination.

The issue is money.

★ ★ ★

Supt. Barrett and the Area Board of Education would like to resume bus transportation. The decision to eliminate transportation is unpopular. It was not easy to make and is even more difficult to maintain. Resumption of the buses would quiet most of the criticism and pressures being applied. (Sadly, there would be no comparable outcry against a deterioration of teaching quality).

The conflict comes over financing.

Five times millage proposals were presented and five times they were defeated. Under this circumstance the Board of Education had two avenues: choices — cut spending or intentionally budget a deficit.

★ ★ ★

To budget a deficit is illegal. (This isn't much of a scare item but it reflects a citizen effort to keep spending under control. To cut spending is unpopular. The board chose the unpopular approach. By the time the millage was defeated late in August there was little area in which to retrench. Teacher contracts had been signed, most school supplies ordered and preparations made to open schools. Consequently, cutbacks were made in those areas where firm commitments had not been made.

Seven additional teachers planned for the program were not hired. Spending for blacktopping elementary playgrounds, etc., was canceled. Custodians and secretaries who had not been contracted were laid off. The bus program was dropped.

★ ★ ★

Now comes the legal action. The court could order the Board of Education to resume transportation. This wouldn't solve the problem. Who would pay for it?

An order to resume the busing would force other cutbacks to balance the budget or push the Board of Education into deficit financing for the second consecutive year. Robbing Peter to pay Paul doesn't finance a good school system.

Ostensibly, such a deficit might be retired by a millage passed Nov. 5 if petitions to set such an election are presented to the Board of Education. Widely-accepted belief is that passage of 4.9 mills at that time would solve this district's financial ailments.

This is a misconception.

★ ★ ★

The school board indicated that all spending cutbacks in the current school program would be restored if millage were approved in November. Unfortunately, millage approved in November could not be collected until December, 1969, and spending 1969-70 taxes for 1968-69 program only will leave a shortage in 1969-70.

To operate normally next fall, another millage proposal might be needed in the spring. Defeat at that time, which on the basis of history must be considered a great possibility, would recreate the present situation.

Maybe the Board of Education wasn't too far wrong earlier this year when it stated that if its millage proposal was not approved "there is a real possibility that schools will not open in the fall."

Soviet Rulers Fear Push For Freedom

By RAY CROMLEY

WASHINGTON (NEA) — What must keep Russia's rulers awake these days is the nagging worry that what happened in Czechoslovakia could happen in the Soviet Union.

The men who began slowly in Czechoslovakia were and are good Communists. They believe firmly in the principles of Karl Marx, perhaps even more fervently than the men in the Kremlin. Alexander Dubcek, himself, has a long record of loyal, conscientious party membership. President Svoboda fought with the Russian forces in World War II and was considered strongly pro-Russian. His record as a Communist is unblemished.

Things began innocently enough with attempts to mend the faltering economy, to heal the economic slump that had threatened to disrupt the country.

★ ★ ★

It was soon found, as in Russia, that correcting the slump required certain adjustments in the way factories were managed, goods distributed and raw materials allocated. More importantly, economic recovery depended on the elimination of corrupt and incompetent men.

Because of the close relationship between the party, the government and industry, this meant firing inefficient party hacks from their economic-industrial posts.

Old-line Communist headman Antonin Novotny went along with this idea. So did his chief deputy. It cost them the support of the "conservatives," who feared for their jobs. Repression of free speech, the arts and the press had already cost these men the support of the "liberal" faction. Thus Novotny and his chief deputy lost their base of support and had to go.

Meanwhile, students, the press and the intelligentsia had begun to fight for their freedom. Despite the government's heavy pressure, they would not keep silent.

★ ★ ★

There was no logical successor for Novotny. After much maneuvering, Dubcek was chosen, primarily because he had few enemies and had a small but strong base of support as first secretary of the Slovak Communist party.

To give himself a base strong enough to win and stay in power, Dobcek turned to the party "liberals." To win this "liberal" support, Dubcek and his group loosened controls on writers, artists, the press and intellectuals generally.

What must strike terror in the Kremlin is the parallel between what is happening in the Soviet Union now and the way things began in Czechoslovakia.

Like Czechoslovakia, the Soviet Union today is faced with serious economic problems caused by party overcontrol of industry and the economy and by the corruption and inefficiency of party hacks in key industrial-economic posts.

Soviet students, writers, the press and other intellectual groups are raising a clamor. They are not being stilled by heavy-handed repression, court trials and prison sentences.

★ ★ ★

The parallel with Czechoslovakia is close.

However, it would not be wise to predict the Soviet Union will go the way of Czechoslovakia next week or next year.

The Soviet Union, despite its industrial position in the world, is not as "industrialized" as Czechoslovakia. The inefficiency will not so surely lead to near collapse, as in Czechoslovakia.

Nevertheless, in the minds of some men who study these questions full time, what has happened in Czechoslovakia is quite likely in the Soviet Union, sometime. It may take five years or a decade. But it will come.

Questions And Answers

Q—What do the ashes placed on the forehead of worshipers, in the form of a cross, on Ash Wednesday symbolize?

A—They are regarded as symbolic of sorrow and repentance. The ashes were secured by burning the branches which had been waved on Palm Sunday of the previous year.

★ ★ ★

Q—When was the bunt introduced into baseball?

A—The first deliberate bunt in baseball was laid down by Dickey Pearce of the Brooklyn Atlantics in 1866.

★ ★ ★

Q—Is it a fact that the ostrich hides its head in the sand when confronted by danger?

A—This is quite untrue. When cornered or wounded, the ostrich kicks viciously.

Jim: "You must be pretty happy about winning the Masters' Mixed Team Championship after all these years?"

Oswald: "Never thought that I would. It took you and Minda (Mrs. Malcolm Brachman fo Dallas) and Mrs. Smith to pull me through."

Jim: "You've overworked that Mrs. Smith gag.) For the benefit of our readers, his partner was Helen Sobel Smith, the greatest woman bridge player of all time, who came out of retirement for this event.) What system did you and Helen use?"

Oswald: "We used standard American plus weak two bids and a little early Culbertson. In other words, just the way we would have played together in a rubber bridge game 20 years ago."

Jim: "Just about the way she and Charley Goren used to bid together?"

Oswald: "Almost exactly. We did use limit raises but did not get around to the Jacoby two no-trump."

Jim: "How did you handle forcing raises?"

Oswald: "Helen just said, 'We'll work them out.' We would have reached six hearts scientifically by use of the Jacoby two no-trump. She just checked for aces and bid it."

Jim: "Our opponents didn't reach the slam. How did you make the overtrick?"

Oswald: "It took two leads to draw trumps. Then I discarded three clubs on dummy's diamonds. Cashed my ace of spades. Led a trump to dummy and played the jack of clubs. East thought that I still held two clubs and played low."

Jim: "A nice little extra touch."

STUDENT'S VIEWS

Last Tuesday night, Sept. 10, there was held a meeting of the school board at the Escanaba Area Public High School.

I happened to attend it on an observing mission. I believe my reason for wanting to attempt such an experience was because I was interested, as well as the few other students in attendance.

A while after we were observing and taking notes, we couldn't bear to take some of the things the "adults" had to say. Finally we stole some courage and had our say in this.

Personally, the comments beforehand didn't bother me. But when we were in front of this group, we were shot down with such comments as: "Kids! What should they have to say in this?"

I don't really know what we should have to say in this, but rather, what we do have to say in this. We are in the middle of it all: We are what the parents of our community are fighting for!

Just one last question before you readers drop my letter: Most students are concerned about the way we grow up. Is it not our education? We should be able to speak of it and if you listen you may learn something from modern teens, "who do not know a darn thing!" After all—we are just young adults.

Mary Steinmetz

Student at EAPHS

McKissick Against Party Candidates

RUTHERFORD, N.J. (AP) — Floyd McKissick, former national director of the Congress of Racial Equality, has declared he could support neither the Democratic nor Republican candidate for the presidency.

"I want to stop the war in Vietnam, and neither Humphrey nor Nixon are going to do that," he told some 100 students, faculty and spectators during a forum at Farleigh Dickinson University.

"I would have supported Robert Kennedy — an honest man, he said. But whether Nixon or Humphrey wins, my problems are going to be the same."

McKissick, an avowed black nationalist, said he thought what the country needed now was a black president or that possibly Humphrey should have named a black vice presidential candidate.

MEET, NOT MEAT

CINCINNATI (AP) — Jack Delany recently told of a business executive who informed his new secretary that he was going to Lexington for the Bluegrass Stakes.

The secretary ,certainly no race horse fan, asked: "Why, are they better than T-bone steaks?"

Ann Landers

Raccoons Do Like Other Mammals Do

Dear Ann Landers: This is a serious letter and I hope you will not toss it aside in the belief that I am putting you on.

A few days ago some neighbors came for supper and we had a discussion about animals. They asked me if I knew how raccoons breed. I said, "I've never given it any thought, but I suppose they breed like other animals."

"You are wrong," I was told. "They breed through the nose." I said it was the first time I had ever heard of such a thing, and asked if the mama raccoon carried her child in her sinus cavity — making a joke of it. Both the woman and her husband were so persuasive, I confess I am half sold.

Today I went to the library and learned a lot about raccoons, but I could find nothing about their breeding habits. I've telephoned several friends and they all howled with laughter — but nobody could say for sure that they knew. Please educate me, if I need it — or my neighbors, if they do. — S.R.C.

Dear S. R. C.: Raccoons are mammals. They breed just like other mammals. That old carnard about raccoons breeding through the nose has been around for ages. Apparently a lot of people believe it, but no raccoon does.

★ ★ ★

Dear Ann Landers: Our son, Paul, learned to speak later than most children. He stuttered a great deal at first and his father became very impatient with him. My husband kept telling him to "shut up" if he couldn't talk properly. When Paul was seven years of age he refused to speak in his father's presence.

The boy is 14 now, an excellent student, a fine musician, but shy and introverted. He speaks to his father only when it is absolutely necessary, and while he no lonegr stutters, his voice has a slight tremor. We have two younger children (girls) who get along well with their dad — in fact better with him than with me.

The problem: I feel it would be good for Paul to go to a boarding school. Paul would like to go. His father says it's nonsense to spend the money ($5500 a year) and he refuses to pay for it. I have a small inheritance and can send Paul on my own. Should I — at the risk of angering my husband? I've decided to do as you say.— SWAMPSCOTT

Dear S.: If the boy wants to go to boarding school and you can send him, do so. If your husband is angry, so what's new? Sounds as if he's been angry at one thing or another for quite some time. I predict the separation will do both Paul and his father good.

★ ★ ★

Dear Ann Landers: How old does a girl have to be before her mother lets her shave her legs? I hope you won't think this is a silly question. It is a big problem to me. Please answer and settle a fight. — GORILLA GIRL.

Dear Girl: There is no particular age at which a girl should be allowed to shave her legs. The determining factor should be how her legs look and how she feels about them. Unsightly hair can be an embarrassment. By the time a girl is 15 she should be allowed to give her legs a clean, smooth look if she wants to. In some cases it can be even earlier.

★ ★ ★

Is alcoholism a disease? How can the alcoholic be treated? Is there a cure? Read the booklet "Alcoholism — Hope and Help," by Ann Landers. Enclose 35c in coin with your request and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Tombstone Clue To Taking Davis

ALLEGAN (AP) — Mrs. Ralph Kroehler of Allegan collects tombstones—that is, she records the stones' inscriptions on color film.

The unusual hobby started as a project for a history class at Western Michigan University and has led Mrs. Kroehler to become somewhat of an authority on the capture of Confederate President Jefferson Davis at the end of the Civil War.

One of the tombstones in Mrs. Kroehler's collection is that of Andrew Bee, who served in the 4th Michigan Cavalry under Col. Benjamin D. Pritchard of Allegan.

Bee's gravestone carries the inscription, "First man to lay hands on Jeff Davis at his capture."

Further study by Mrs. Kroehler of Gen. Pritchard's own papers and official reports produce this account of Davis' capture:

On May 9, 1865, Davis and his wife were heading for escape through Florida when, near Irwinville, Ga., two Union units—mistaking each other for the enemy — traded gunfire within hearing of the Davis party.

Two men in the Michigan unit were killed and a third severely wounded, while three members of the 1st Wisconsin were severely wounded.

When the shooting was over and identification was finally made, Col. Pritchard discovered his men had captured Davis.

Hunt 2 Toledo Jail Escapees

TOLEDO, Ohio (AP)—A manhunt was pressed today for a Toledo youth and a Detroit man, who reportedly vowed he would never be taken alive, after their escape from the Lucas County jail in Toledo early Sunday.

Sheriff's deputies said that Victor Malone, 21, of Detroit, fired a shot at a railroad detective when he was spotted at a railroad yard at nearby Walbridge.

The detective, who was not injured, said Malone told him he would not be captured alive.

Malone was being held in lieu of $100,000 bond on charges of bank robbery and assault with intent to kill. The one charge stems from the robbery of the National Band of Bowling Green at Rossford.

Police in Detroit issued a warrant charging Malone in the May 7 shooting at a YMCA. Police said Herbert Henderson, 43, a resident of the Y in Detroit, was wounded when shot twice in the head with a .32 caliber revolver.

The other escapee was identified as Charles Small, 19, Toledo. He was held on charges of carrying a concealed weapon and malicious destruction, deputies reported.

Deputies said the two apparently used a hack saw blade to cut their way through three jail bars in a second story window before slipping to the ground on a blanket.

Deputies speculated the two were trying to hop a freight train since Malone was spotted at the Walbridge yard. Trains in the area were searched.

Authorites called in airplanes, helicopters and police dogs for the search, which was concentrated in a wide area east of the city.

New Ford May Be Called Colt

DETROIT (AP) — The new car planned by Ford Motor Co. as a competitor to low-priced foreign imports is expected to be named the "Colt" or the "Maverick," a company source reports.

Until now, the minicar has been described quietly within the company by only a code name, "Delta."

The usually reliable source, who declined to be identified, told a newsman that the name Colt or Maverick would carry on the Western image that Ford has tacked on its popular sporty car, the Mustang.

American Motors Corp. and General Motors Corp. also are reported working on compacts to challenge the fast-selling imports. The imports, led by Germany's Volkswagen, have been accounting for about 10 per cent of car sales in the United States this year.

Ford is expected to introduce its small car in the middle of 1969, offering it for sales at less than $2,000. GM reportedly is aiming at introduction of a compact later in the year, along with AMC.

About 95 out of 100 earthquakes occur in two great areas—the Pacific belt and the Mediterranean belt.

WHERE THE FIRST ORE DOCK was built in Escanaba back in 1863 on the north side of Sand Point, bulldozers are moving the earth approaches of the early docks to make way for the development of the North Chicago & North Western Railway's new ore terminal facility. The construction, costing a total of $16.5 million, will include razing of the present timber dock and its replacement with a conveyor type. The contractor is McDowell-Wellman Engineering Co. (Daily Press Photo)

Spock Confident He'll Win Appeal

LOS ANGELES (AP) — Dr. Benjamin Spock said Sunday he's confident the appeal of his conviction for conspiring to encourage young men to avoid the draft will be successful.

Spock, who was convicted with three others in Boston of conspiracy last spring, told newsmen: "Our lawyers are confident that the verdict will be reversed."

Then, the noted pediatrician commented on this year's major party candidates for president, calling it "a horrible choice."

He said Richard M. Nixon has "always been for a bloodier war," Hubert H. Humphrey is "appalling in the way that he supports (President) Johnson more enthusiastically than Johnson supports himself" and George C. Wallace is "worst of all because he doesn't understand anything."

Councilmen To Attend State League Meeting

Memberfs of the Escanaba City Council and City Manager George Harvey will attend the 70th annual convention of the Michigan Municipal League to be held in Lansing Sept. 17-20.

Because of the League meeting, the Council has moved its regular session from Thursday to tonight at 8 p.m. in the City Hall

Mayor Cecil B. Chase, Councilmen Harold Vanlerberghe, H. George Nelson and Robert Bink and the city manager will attend the League conference that will be devoted in large measure to employe relations and mobilizing the community effort to meet human needs. The emphasis of the sessions will be on cooperation in community operations.

Frank A. Stpuak, Gladstone city commissioner, is chairman of Region 10 (the Upper Peninsula) and the Region 10 vice chairman is Chester Shoquist, city commissioner of Stambaugh.

On the program will be Lt. Governor William Milliken, Mayor Floyd H. Hyde of Fresno, Calif., and President Robben H. Fleming, University of Michigan.

Tonight at the Escanaba Council session there will be hearing of objections to improvements: Sanitary sewer from 14th Ave. N. to the C&NW Railway right of way on N. 26th St.; and water main extension on N. 26th St. from 14th Ave. N. to the new Danforth Road.

The Council will also give consideration to granting the U.P. Power Co. an easement for relocating its lines in the industrial park; consider accepting a one-acre parcel in the industrial area from the Escanaba Foundation for a future water tower site; and consider adopting a policy for the use of the Catherine Bonifas Civic Center.

Proclamations directing public attention to Constitution Week and the League of Women Voters Week in Michigan will be adopted.

Mel & Elmer's Inc., has requested the Council to drop Melvin W. Manske from licensed liquor business and make Elmer L. Dagenais sole licensee. Manske has retired and is no longer partner in the business.

Joseph Rochon Dies On Sunday

Joseph Rochon, 89, of Hermansville, died at 11:05 a.m. Sunday at the Pinecrest Medical Care Facilities where he had resided for the past 10 months.

Mr. Rochon was born Sept. 8, 1879 in Montreal, Canada and he was married to the former Jennie Ayotte in 1903 in Hermansville. He was a retired farmer and had lived in Hermansville for 82 years. He was a member of St. Mary's Church. Mrs. Rochon died Sept. 15, 1967.

He is survived by two daughters, Mrs. Harry Pacquin of Hermansville and Mrs. Anthony Folcik of Bark River; six sons, Charles, Alex, Delore, Wilfred and Uldage, all of Hermansville and Henry of Waukegon, Ill., 32 grandchildren and 38 great grandchildren.

Friends may call after 3 p.m. Tuesday at the Kell-Tondin Chapel in Spalding and the Parish Rosary will be recited at 8 p.m. Funeral services will be conducted at 10 a.m. Wednesday at St. Mary's Church with the Rev. Gervase Brewer officiating. Burial will be in the Meyer Township Cemetery.

Use Off-Street Parking, C-C Tells Shoppers

The Escanaba Chamber of Commerce today called attention of the public to the free two-hour parking lots in the downtown area and urged the use of these lots by shoppers.

The lots are unmetered and provide two hour free parking. Shoppers will find that the lots are conveniently located to downtown stores and business places, and will give them ample time to do their shopping.

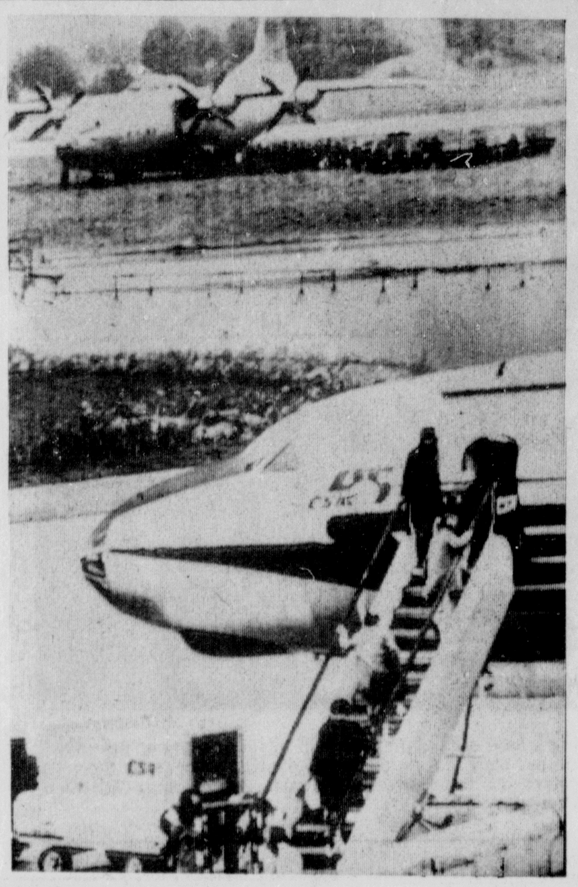

The two hour free parking lots are located in the 1100 block and 1200 block on 1st Ave. N. the 900 block on 1st Ave. N. and on the 100 block on side streets where posted.

Services Held Saturday For A. Guzzonato

Arthur Guzzonato, 60, of 4719 N. 68th St., Milwaukee, formerly of Escanaba, died Sept. 11 in Milwaukee. Mr. Guzzonato was formerly employed at Montgomery Ward of Escanaba.

He is survived by his widow, the former Louise Godin of Escanaba; one son, Donald and a daughter, Ann, both of Milwaukee and four grandchildren; four brothers, John, Joseph and Louis of Norway and Edward of Green Bay.

Funeral services were held Saturday at Lady of Our Sorrows Church, Milwaukee and burial was in Holy Cross Cemetery, Milwaukee.

Perkins Man, 37, Seriously Hurt

A 37-year-old Perkins man was seroiusly injured and hospitalized this morning after a headon crash of two cars on M-35 just west of County Rd. 428 in Baldwin Township.

State Police said fog obscured vision on the highway. The accident happened about 7 a.m.

Robert Leach was admitted to St. Francis Hospital. Troopers said he was driving a car which collided with a car driven by Francis Gudwer, 40, also of Perkins. Gudwer and his son, James, 16, also were injured. They were treated at St. Francis Hospital and released.

Remain In Hospital

Three other persons remained in the hospital this morning as the result of injuries suffered in weekend accidents.

Dorothy Kloida, 19, of Marinette, and Barbara Sacheck, 18, Rte. 2, Bark River, both were reported in good condition. Officers said they were passengers in a car driven by a 16-year-old boy, which ran off County Rd. 569 about a mile north of U.S. 2 and 41 Saturday morning.

The driver was cited into probate Court for violation of the basic speed law and no operator's license and Miss Kloida received a summons for allowing an unlicensed driver to drive.

Jeanette Westphal, 65, Marquette, also was reported in good condition this morning after being injured in an accident Sunday morning. State Police said a car driven by her husband, Lawrence, 67, collided with a Price Pipeline Co. bus driven by Oscar Hager, Batesville, Ark., on U.S. 41 about a mile north of U.S. 2.

Troopers said Hager pulled out of a driveway and started to make a left turn when hit by Westphal's southbound car. Hager was cited for failure to yield the right of way. Westphal was taken to St. Francis Hospital for treatment of injuries, but he was not admitted.

Trailer Tips

Three other traffic accidents —one involving a horse trailer — were investigated by State Police Saturday and Sunday.

Officers reported that Dorothy L. Winchowski, 21, of Rte. 2, Bark River, was pulling a trailer containing two horses on U.S. 2 and 41. The trailer started to sway and tipped over before she could get it under control, troopers said. Two horses escaped serious injury.

Also Sunday, Alex Cameron, 20, of Rte. 3, Rapid River, failed to see a curve in fog and knocked down several guard rails off U.S. 2 and 41 near Rapid River, and a car driven by Stephen Lagina, Rte. 1, Gladstone, hit a car owned by Lawrence Viau. The car was parked in front of Viau's home in Rapid River. Lagina received a citation for carless driving.

Constitution Week Significance Told

This is Constitution Week in the United States of America, and the Daughters of the American Revolution are directing attention to its significance and Escanaba Mayor Cecil B. Chase by proclamation asks the public to join in observance "of this memorable anniversary."

The 181st anniversary of the adoption of the Constitution of the United States falls on Tuesday, Sept. 17, and in Escanaba and other cities citizens are being urged to join in activities that form a noteworthy and patriotic feature of Constitution Week.

"We urge all our citizens to pay special attention during this week to our Federal Constitution and the advantages of American citizenship," Mayor Chase noted in his proclamation.

The Lewis Cass Chapter, Daughters of the American Revolution, last week at its opening meeting of the year, made Constitution Week the subject of its program.

Mrs. Soren Johnson of Gladstone presented the program and the meeting was held at the summer home of Mrs. Merritt Kasson at Portage Point. Mrs. Frederic Welch, Escanaba, D.A.R. regent, has directed the attention of the public to the meaning of the Constitution and its guarantees of freedom and liberty to the individual citizen.

The Constitution establishes a stable and responsible government; allows the citizen a voice in government through the officials he helps elect; guarantees life, liberty, and the pursuit of happiness; defends your rights even against the government itself — and makes you equal with all men before the law.

There are many other meanings of the Constitution noteworthy throughout the year as well as in Constitution Week, it was pointed out. Primarily, it has provided the American people a freedom that has been the envy of the world.

Students Told How Smoking Affects Health

Rancher Glenn Allbright, "Christmas Seal Cowboy" troubadour is visiting Schoolcraft and Delta counties from Sept. 9-20, entertaining them with stories and songs of the west and emphasizing the importance of having good health.

His program on smoking includes factual evidence from the Surgeon General's Report on Smoking and Health, the National Interagency Council on Smoking and Health and the Michigan Council on Smoking and Health.

Glenn's visit is sponsored by the Upper Peninsula Region of the Michigan Tuberculosis and Respiratory Disease Association. His schedule includes schools in Escanaba, Gladstone, Bark River, Rock, Perkins, Rapid River, Flat Rock, Kipling, Garden and Manistique.

Wayne U Given $1.1 Million Grants

DETROI T(AP) — Wayne State University has been given $2,822,883 in grants over the past two months. More than $1 million each was received from the U.S. Office and Education and the U.S. Public Health Department.

The health department granted $279,985 of its $1.1 million total for continuation of brain studies at the school of medicine.

The Department of Education grant was mostly for students' aid and research.

Briefly Told

Escanaba police have issued traffic court notices to Gene P. Smith of Wells, driving while licensed revoked; James Jones, Cornell, no operator's license, no registration, no proof of insurance, no tail light on motorbike; Charles R. Heath, 322 S. 14th St., speeding and no operator's license; James F. Hubert, 331 N. 20th St., disobeying a stop sign; Carl B. Johnson, 405 S. 15th St., failing to stop in the assured clear distance; Harry D. Larange, Escanaba Rte. 1, improper backing.

Service To Voters:

League Starting Fund Campaign

The League of Women Voters of Escanaba is conducting its annual finance drive. Supported in part by member dues and the proceeds of its annual used book sale, the League is asking interested citizens to help finance its work in voters service, legislation, and candidates' meetings. Its goal is to raise $600.

The League is a national, nonpartisan organization whose purpose is to encourage citizen participation in government. It works on issues on three levels of government — national, state, and local. Members choose the program. Although the League never supports or opposes any political party or candidate, it does work for specific issues after thorough study and consensus by its members.

The issue the Escanaba League will study on the local level is the community college, its organization, financing, and future development. In addition to the study item the League:

- Holds candidates' meetings before elections, so the public can meet and question all candidates for office.
- Distributes Voters Guides before the primary and general elections, giving biographies of the candidates, their written opinions on specific issues, and objective information about ballot issues.
- Distributes non-partisan literature on a variety of topics to schools, libraries, and citizens.
- Sends impartial observers to official governmental meetings (city council, school board, board of supervisors).
- Stimulates interest in politics and works for voter registration.

On the state level all 39 chapters of the Michigan League will conclude a study of Michigan courts as they relate to children and juveniles.

On the national level the Escanaba League will conduct a study of the electoral college, and will continue its support of equality of opportunity for education, employment and housing for all people. It will also make an evaluation of means to achieve equality of opportunity for housing and of further measures to combat poverty and discrimination, and evaluate U.S. relations with the People's Republic of China.

The League will continue to carry as a continuing responsibility tax rates and treaty making and representative government which includes support of apportionment of both houses of state legislatures substantially on population, and support of self-government and representation in Congress for citizens of the District of Columbia.

Mrs. William Taylor is president of the Escanaba League; Mrs. Robert Haack, second vice president; Mrs. Luther Barrett, secretary; and Mrs. Vernon Wicklander, treasurer. Contributions may be sent to Mrs. Vernon Wicklander, 220 S. 17th St., Escanaba.

Voters Guides were distributed in Escanaba and Gladstone for the primary election in August and will again be available for the general election in November. The League is in the process of updating its handbook on local government, "Know Your City." During the year it distributed a packet of League publications to schools, libraries, and community leaders.

Eugene Groth Dies Saturday

Eugene Groth, husband of the former Evelyn LeDuc of Escanaba died on Sept. 14. Visitation will be held today at the Krause Funeral Home in Menomonee Falls.

Funeral services will be held at 1 p.m. Tuesday at the Pilgrim Lutheran Church, Menomonee Falls.

Insects swarming to a tulip tree's flower may find as much as a teaspoon of nectar in the blossom.

Women Voters Week Observed In Michigan

This is League of Women Voters Week, and Governor Romney in part notes that "The League of Women Voters of Michigan has consistently demonstrated that our form of government can only work properly when citizens are informed and take an active part in it.

"The Michigan League, consisting of thirty-nine Michigan chapters, has worked diligently and effectively for many important governmental improvements including fair employment practices, better children's services, Michigan's new constitution, improvements in public welfare, tax reform, and water conservation."

The Governor urges all the people of Michigan to recognize the innumerable and meaningful contributions made by the League of Women Voters throughout Michigan during its 48 years of service.

Mayor Delbert Nelson of Gladstone has proclaimed this period as League of Women Voters Week in Gladstone, and the City Council of Escanaba is expected to issue a proclamation at its meeting this evening.

In conjunction with this event the Escanaba League is hosting one of three regional workshops being held throughout the state on Wednesday, Sept. 18, at the city's new recreation building. In addition to state officers, directors, and local members, League members from the Copper Country, Sault Ste. Marie—Les Cheneaux Area, and Iron County are expected to attend.

CATHERINE BONIFAS CIVIC CENTER
Custodial Duties

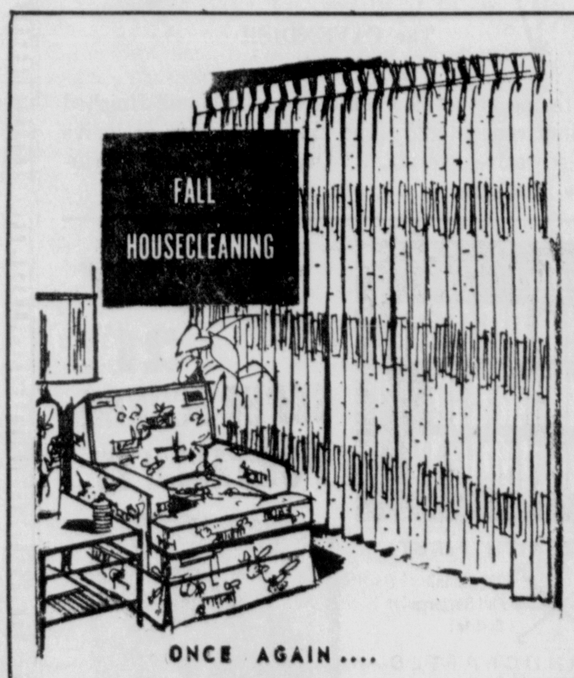

Proposals will be accepted for a contract on custodial services at the Catherine Bonifas Center, 225 North 21st Street, Escanaba.

Persons interested in this contract may notify Mr. Fran Lueneburg at Club 314 (786-3551) between the hours of 8:00 a. m. through 5:00 p. m., Monday through Friday, prior to September 20, 1968. Mr. Lueneburg will arrange for an inspection of the Bonifas Civic Center building and provide more detailed information for those wishing to submit a proposal.

Listed below is a general statement of duties:

1. Clean gymnasium (Community Room) with dry dust mopping of floor area.
2. Clean locker room, including sanitizing of floors and wiping down of shower stalls and locker room walls.
3. Clean all restrooms, disinfect toilet bowls and seats, disinfect handwashing bowls and urinals. Check paper towels, toilet tissue, and soap. Refill when necessary. Wet-mop restroom floors. Wipe down restroom walls weekly.
4. Clean game room and dance room with dry dust mopping of floor area.
5. Clean office with dry dust mopping of floor area.
6. Clean meeting room with dry dust mopping of floor area.
7. Clean snack bar and kitchen with dry dust mopping of floor area.
8. Clean all halls, corridors and lobby with dry dust mopping of floor area.
9. Empty wastebaskets and waste receptacles.
10. Empty and damp-clean ash trays.
11. Clean and service sand urns.
12. Strip, clean, refinish all floor surfaces (except gymnasium) according to need, depending on amount of traffic, the weather, the season, etc. The areas in most need of this service include the entrances, the lobby and the halls.
13. Clean and polish baseboards.
14. Remove scuff marks, heel marks, imbedded dirt, soft-drink stains, food, gum, urine stains, cigarette marks, etc., from floors and walls when necessary.
15. Dust all horizontal surfaces including sills, moldings, ledges, shelves, frames, ducts, heating ducts, pipes, ventilators, heating outlets, etc.
16. Wet-mop areas inside of entrances, lobby and halls daily during wet, inclement weather.

Proposals will be accepted for evaluation at the City Manager's office, City Hall, no later than September 23rd, 1968 at 5:00 p. m.

Giacalone Trial Now Set Oct. 8

DETROIT (AP)—A new trial has been set for Oct. 8 for two reputed Mafia leaders on charges of loitering in a gambling establishment after a mistrial was declared when a woman juror said she was too frightened to hear testimony.

The defendants — Anthony Giacalone, 49, Grosse Pointe Park, and his brother, Vito, 45, Grosse Pointe Shores — were among 31 persons arrested in a raid last March 4 by Detroit and State Police.

The Giacalones were identified as Mafia leaders in testimony before the U. S. Senate Rackets Committee in 1963.

Recorder's Court Judge Vincent Brennan said a 34-year-old woman juror told him she "couldn't sit fairly in this case because she had a feeling of fear."

"I told her she had nothing to fear," Brennan said, adding that later she told him she felt nauseous.

Brennan declared a mistrial before any testimony was taken. It was the second mistrial in the case. The first came after the judge ruled that a defense attorney had made prejudicial remarks in court.

Stops Tormenting Rectal Itch

Exclusive Formula Promptly Stops Itching, Burning and Relieves Pain of Piles In Most Cases

New York, N.Y. (Special): The embarrassing itch caused by hemorrhoids is most torturous. But science has found a special formula with the ability, in most cases — to promptly stop the burning itch, relieve pain and actually shrink hemorrhoids. And all without narcotics or stinging astringents of any kind.

The secret is *Preparation H®*. There is no other hemorrhoid formula like it. Preparation H also lubricates, soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

Decorum At Mass Shattered By Ape

BELMONT, Mass. (AP) — Decorum at the 7 a. m., Mass Sunday at St. Joseph's church was shattered by one church goer, an eight-pound Japanese Macaque ape named Zelda.

Zelda entered unescorted and proceeded to climb pipes and jump over pews. At one point she sought refuge in the pulpit, and at another, she landed in the lap of a nun.

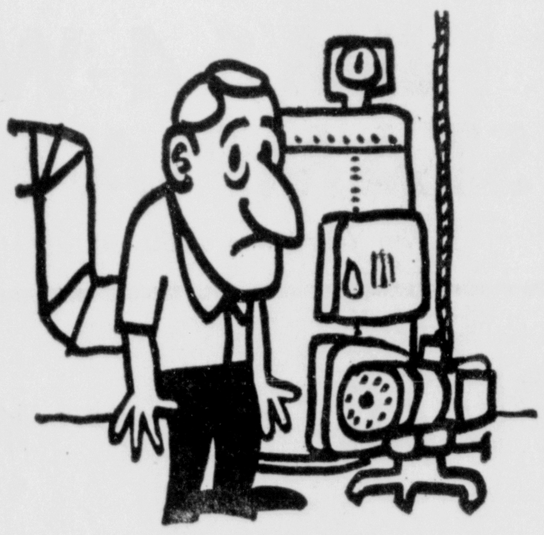

She was chased by ushers and five policemen and had been caught when owner Thomas Magsam of Belmont arrived.

"The policemen had Zelda trapped in their net," he said. "She was more frightened than anyone else. And she was glad to see me."

Corn Lures Carp

OMAHA, Neb. (AP) — Debbie Farrell, 10, landed a nine-pound carp Sunday at the city's Fontenelle Park lagoon. Debbie said she caught the fish on a "little teeny hook" with three pieces of corn on it.

Don't put off changing to Gas heat for another six months.

Just put off the payments.

Before winter hits you with a lot of expensive misery again, convert to clean, economical Natural Gas heat.

We'll remove your old oil tank free of charge, and pay you for any leftover oil or coal. There's just a small down payment, and you pay nothing for the installation for six months.

Then, if you like, you can pay on your Gas bill over a period of 36 months. Easy. And, you can save up to one third on present heating bills.

But using is believing. Just call us or your participating heating contractor today. You'll know it's the truth when they say: **Gas makes the big difference ...costs less, too!**

Hearing On Suit Against Schools Scheduled Friday

A hearing on the bus suit against the Escanaba Area school district has been scheduled by Judge Bernard H. Davidson in Circuit Court at Marquette at 10 a.m. Friday.

The Board of Education and Supt. of Schools Luther M. Barrett were served notice of the "show cause" hearing today.

The school district has been ordered to "show cause" why a Writ of Mandamus should not be issued ordering the district to resume its bus transportation program.

As of this morning, the Board of Education had not retained an attorney to represent the district in the action.

The suit was filed by Attorney Nino E. Green, director of U.P. Legal Services, Inc., on behalf of 10 rural mothers and their 44 children. The action claims that the children are being "discriminated" against and that elimination of the buses has caused the children to be denied a public education because of the geographic location of their residences.

The suit claims that the families involved do not have sufficent economic resources to secure other means of transporting their children to school on a continuing basis.

Student transportation was eliminated by the Board of Education as part of a spending reduction of over $200,000 ordered after defeat of a millage proposal Aug. 19. The reduction was designed to balance the 1968-69 school budget.

Stocks Higher; Trading Active

NEW YORK (AP) —The stock market moved higher in active trading early Monday.

In the first hour the Dow Jones average of 30 industrials advanced 3.54 to 920.75.

Advances by individual stocks topped declines by about 270 issues.

The New York Stock Exchange ticker tape fell two minutes behind in reporting floor transactions.

Motors showed strength with General Motors and Chrysler up more than half a point.

Coho Snagging Review Urged

MANISTIQUE — Complaints from coho salmon fishermen on snagging violations have prompted Rep. Charles Varnum (R-Manistique) to request an investigation of the situation by the Michigan Conservation Dept.

Snagging of fish, including coho salmon, is illegal under Michigan conservation laws.

Varnum said he has received complaints from fishermen who have snagged salmon by accident and are being treated as game violators. Fines and court costs in excess of $12 have been charged.

Varnum said many of the fishermen charged are not aware of the snagging law and are fishing for the first time in their lives. He noted that coho have been planted to attract fishermen to the area, but many who have been fined have said they will not return again.

To point out the snagging law to fishermen, the Conservation Dept. has posted a large sign near the boat launching site at the mouth of Thompson Creek pointing out that all salmon "snagged or foul hooked" must be returned to the water.

"I certainly cannot condone willful snagging practices by fishermen who are attempting to catch coho by this method," Varnum said. "These people should be dealt with firmly, but at the same time we should attempt to find a compromise that is fair to the fishermen who snags a salmon by accident."

Keep Red Pact, Romania Urged

BUCHAREST, Romania (AP) — The Soviet Union is quietly urging Romania to live up to its Warsaw Pact commitments and allow allied troops on its territory eventually for joint maneuvers in return for guarantees of nonintervention, informed sources said today.

Soviet proposals presented to the Romanian government reportedly call for a strengthening of the Communist alliance's southern tier along the Black Sea coast—the Soviet Ukraine and Bessarabia, Romania and Bulgaria.

According to the sources, the proposals had been under discussion earlier this year but were shelved when the Czechoslovak crisis and Romanian fears of a Warsaw Pact invasion put a severe strain on relations between Bucharest and Moscow.

The strain is still apparent and there are no signs of Romanian readiness to comply with the Soviet demand.

If the joint maneuvers do come off, they are not expected before next spring, the sources said. Noninterference guarantees were demanded by Bucharest shortly after the occupation of Czechoslovakia.

Students Plan Columbia Rally

NEW YORK (AP) — A campaign by student revolutionaries and activists to cripple Columbia University again begins Tuesday with two planned demonstrations at the 214-year-old Ivy League school.

The radical Students for a Democratic Society has planned its first major actions to coincide with the arrival of freshmen on the Morningside Heights campus. Many classes start Sept. 26.

So two contending forces, those in the university hoping to avoid further disruption on campus and the band of student radicals, begin acting out a drama to see whether Columbia can reopen in peace this term.

Student activists and college administrators throughout the country are expected to follow the developments closely. After the earlier outbreaks at the University of California at Berkeley, Columbia has become the symbol of student unrest in the United States.

Columbia's school year ended in chaos last spring following clashes that involved administration, students, faculty and New York City police.

Meetings Called To Review Plans On New School

GARDEN — A pair of meetings to discuss with voters the bond issue proposal for a new high school in the Big Bay de Noc school district have been scheduled this week.

The architect for the district will appear at both meetings.

First meeting is scheduled at 8 p.m. at the Cooks School Wednesday. Another meeting is planned for 7:30 p.m. Thursday at the Garden School with the PTA.

A special election on the bond issue proposal is scheduled Monday, Sept. 30.

DATE CHANGED

The Kates Bay Home Economic Club outing has been scheduled for Sept. 26 instead of Sept. 19 as announced earlier.

GRADUATING from Northern Michigan University with a Bachelor of Science degree in physical education, Gregory Krause of Engadine has joined the staff of the Flint Beecher District Schools. In his Junior and Senior years he was student supervisor at NMU.

Deserts Army; Stays In Japan

TOKYO (AP) —A Japanese youth drafted for U.S. Army duty while studying in the United States said today, after two months of fighting in Vietnam as a private in the 1st Infantry Division, he has decided to desert.

Tetsuo Shimizu, 23, told reporters he considered the war "nasty and meaningless." He said he was given a one-week rest and recreation leave early this month, came back to Japan and decided not to report to the U.S. armed forces headquarters here Sept. 11 for return to Vietnam

"Back here again, I now realize how precious peace is," he said. "I hate the war and don't want to go back to Vietnam to kill again, so I have made up my mind to leave the Army and stay here."

A U.S. military spokesman said Shimizu is listed as absent without leave.

Curfew Quiets Toledo Violence

TOLEDO, Ohio (AP) — Toledo's Door-Detroit neighborhood was quiet Sunday night under a 9 p.m. to 6 a.m. curfew.

Mayor William Ensign imposed the ban on movement by minors after two nights of racial violence.

Police reported five or six false fire alarms Sunday night and a couple of nuisance fires —one in a garage and one in a house scheduled for demolition.

Reports came in that bands of youths were beginning to gather but the groups dispersed even before police closed in.

An attempt was made to police the city Saturday night with a group of 30 "Black Deacons" and a handful of Negro policemen.

Safety Director Clifford T. Quinn called off the experiment at 2 a.m. Sunday when a mob of 300-400 Negroes gathered and started to move downtown.

Eight policemen were hurt, mostly by flying rocks, before the crowd was broken up. Six of the injured received hospital treatment, then were released.

No injuries were reported among the demonstrators.

The "Black Deacons" were supervisors of the Soul City recreation area in the disturbed area who volunteered during talks with the mayor Saturday to try to keep order.

Police made 21 arrests early Sunday on a variety of charges ranging from loitering to creating a disturbance.

A firebomb started a blaze at a supermarket, causing an estimated $2,000 damage. Several store windows were broken and there was some looting.

100 Hurt When Trains Crash On Penn Central

NEWARK, N.J. (AP) — A Penn Central train traveling an estimated 80 miles an hour with 178 passengers aboard struck a derailed freight train Sunday injuring about 100 persons.

Six persons were hospitalized.

A railroad spokesman said the collision took place as the passenger train, headed from New York to Philadelphia at approximately 80 miles per hour, hit derailed cars of a freight train which had just left a Penn Central yard on an adjacent track.

Danforth Market B&E Is Probed

State Police are investigating the breaking and entering of the Sodergren Market on County Rd. 414 in Escanaba Township.

Troopers said a quantity of beer, cigarets and assorted food was taken.

Suspect In Child Slaying Gives Up

PHOENIX, Ariz. (AP)—Robert John Erler Jr. accused of being the "catch-me" killer of Hollywood, Fla., surrendered Sunday night to an off-duty sheriff's deputy and members of his family.

Erler, 24, a former policeman, held a .38-caliber revolver and threatened suicide as he talked for 45 minutes with Deputy Dave Koelsch and his mother, brother and sister, Koelsch said.

The confrontation ended when Erler handed the revolver to the unarmed deputy and rode off with him to the Maricopa County jail, where he was held for Florida authorities.

Erler is charged with killing Marilyn Clark, 12, at Hollywood last month. The second degree murder charge was filed Saturday after officers with whom he formerly worked said it was his voice in a telephone call that said, "I just killed three people . . . I'm serious. Please catch me. Please."

Voice Recognized

He resigned from the force Sept. 5, and came here to visit his family. He disappeared Saturday when word reached here that he had been charged with killing the girl whose body he discovered.

"I'm in trouble," Koelsch quoted him as telling his family. "I don't want you to be involved."

Police found his abandoned car and, on Sunday, spotted Erler's younger brother, Danny, near an apartment house. A dozen cars sealed off the area, but stayed away from the apartment which Erler rented Saturday.

Koelsch who normally works with juveniles, was advised by radio to call a phone number. Police said the person who answered the number was Danny, who handed the telephone to his brother.

Planned Suicide

"He told me he'd decided to commit suicide," Koelsch said of the accused. "I told him that was a bad way out. After we talked for a while he agreed to talk to me in person, and told me where the apartment was."

Koelsch became acquainted with Erler two years ago while he was riding a police beat in an area where Erler worked at a service station.

"When I got there Danny was standing in the door, waiting for me. Bob was on the phone. I think he was talking to his mother."

Koelsch said Erler occasionally took the revolver from his gun belt and cocked it as they talked.

"He wasn't threatening me or anyone else," Koelsch said. "He was just thinking of taking his own life. He kept saying over and over again that he didn't want to hurt anyone."

Koelsch said Erler talked by telephone twice with Carl King, assistant chief of police at Hollywood.

Erler's mother and sister, Dee Dee, joined the three men at the apartment later.

Koelsch said he didn't question Erler about the slaying, saying his only concern was to get him to give himself up.

Finally, Koelsch said, Erler handed over his revolver to his brother and Danny gave it to the deputy.

Shot Five Times

At Kansas City, Mo., it was disclosed that Erler's estranged wife had sent their 1-year-old son to another state for safety. Mrs. Patricia Erler went to live with her mother and stepfather when she left Erler in July. Hollywood police had told her that Erler had threatened to kill her and their son. Police were guarding the home in Kansas City until Erler surrendered.

Dorothy Clark, 42, of Clarkston, Ga., mother of the slain girl, was found unconscious and critically wounded in her car about four miles from the spot where her daughter's body was found. Marilyn had been shot five times in the head. Mrs. Clark was shot five times in the head and once in the neck. Hollywood police said she had recovered enough last weekend to give clues which led to the charges against Erler.

Russ Spy Ship Circles Hawaii

PEARL HARBOR, Hawaii (AP) — The Navy said Sunday a Soviet intelligence vessel was within 12.5 miles of Barbers Point Naval Air Station on the island of Oahu.

The Soviet ship, Gavril Sarychev, was followed routinely by the U.S. Navy destroyer escort Charles Berry.

The Gavril Sarychev moved into Hawaiian waters more than a week ago, the Navy said, and has been traveling all around the islands.

Although the United States maintains a 12-mile fishing limit on its coasts, the vessel could move in as close as three miles and still be considered in international waters.

As long as the ship stays beyond the three-mile limit "we have no objection to that," a Navy spokesman said.

The Navy said it had not attempted to communicate with the Russian vessel.

Africans Urge Biafra To Quit

ALGIERS (AP) — The African summit meeting called on Biafra Sunday to surrender after moderates blocked a condemnation of Israel and settled for a resolution calling for peaceful settlement of the Arab-Israeli dispute.

The 38 leaders of the Organization of African Unity—OAU—appealed Sunday to secessionist Biafra to give up its fight for independence and help "restore the peace and unity of Nigeria."

During an earlier plenary meeting, the four countries that have recognized Biafra, Tanzania, Zambia, Gabon and the Ivory Coast, urged an immediate cease-fire and a resumption of negotiations between Nigeria and Biafra.

The resolution finally passed called for a cessation of hostilities and a general amnesty for the Biafrans.

The action ended any hope that the OAU might come to Biafra's aid in the civil war.

Dr. Fitch Named Medical Society State Delegate

Dr. Donald N. Fitch, Escanaba, will serve as the Delta-Schoolcraft County Medical Society delegate to the annual meeting of the Michigan State Medical Society House of Delegates, Sept. 22-23-24 in Detroit.

The Delta-Schoolcraft County alternate will be Dr. M. E. Wehner, Manistique.

Representatives of the medical profession from throughout Michigan will act upon a wide range of subjects dealing with health and welfare during the session.

The House of Delegates is the Medical Society's policy-making body, and members are elected by their local medical societies, according to Dr. James B. Blodgett, Detroit, speaker of the House of Delegates.

Briefly Told

State Police ticketed David Skippar, 318 N. 13th St., for speeding.

Larceny of a deer rifle from the residence of Violet Flemal, Rte. 1, Cornell is under investigation by State Police.

GOP Nominee Ahead In Polls; Ignores Prods

(Continued From Page 1)

America," he added, "there are a thousand young Americans who want to rebuild their country."

The Gallup Poll reported Sunday that Nixon leads Humphrey 43 per cent to 31 and that Wallace has 19 per cent support. It said Humphrey had gained some since August but faces a problem of Democratic voter defections.

Nixon Leads Polls

A California State Poll, published by the Los Angeles Times, gave Nixon 43 per cent of the popular vote to 34 per cent for Humphrey and 7 per cent for Wallace.

A New York Times survey indicated if the election were held today, Nixon would win 30 states with 346 electoral votes—well over the 270 needed for election—Humphrey would win 6 states with 42 votes and Wallace 8 states with 77 votes.

A Newsweek magazine survey indicated Nixon would win 329 electoral votes.

Two Injured In Traffic Mishaps

Two persons were injured, neither seriously, in traffic accidents in Escanaba over the weekend.

Carl B. Johnson, 19, of 405 S. 15th St., riding a motorbike, struck the rear of a car driven by Terry Ann Decker, 17, of Ford River, and suffered injuries requiring hospitalization. His condition was reported as good today at St. Francis Hospital. Police ticketed him for failing to stop in the assured clear distance. The accident was in the 200 block, N. 23rd St., at 4:55 p.m. Saturday.

Peggy Bero, 20, of Two Rivers, Wis., passenger in a car driven by Dale Robitaille, 21, of 115 4th Ave. S., was hurt when the Robitaille car struck a light pole in the 1000 block, Sheridan Road, at 12:11 a.m. Sunday. Robitaille received a summons for failing to exercise due care.

Woman's Club Members To View Fashion Show

Deadline for making reservations for the Escanaba Woman's Club opening dinner Wednesday, Sept. 18 at 6 p.m. at the House of Ludington have been extended to Tuesday noon, Sept. 17.

The Retail Division of the Escanaba Chamber of Commerce is sponsoring a style show following the dinner with Angeline Hakes of the Mata Brown Shoppe as coordinator and narrator.

Merchants

Merchants participating in the fashion review include: the Fair Store, Four Seasons, Lee's Style Shop, the Leader Store, Gartners, the Morrison Shop, Montgomery Ward, S. S. Kresge Co. and the Mata Brown Shoppe.

Also participating are Robert's Shoes, Manning Shoe Store, Peterson's Inc., Pavlick's Gift Shop and the Merle Norman Studio.

Each officer of the club will model a hair style, courtesy of La Petite Beauty Salon, Lov-Lee Beauty Shoppe, Pavlick's Beauty Shop, Phil's Salon of Beauty, Hurley's Hair Fashions, Escanaba Beauty Shop and Madonn's LaBrie.

Background Music

Josephine Sayklly of Sayklly's Confectionary will provide background music on the organ.

General chairman of the evening is Mrs. John Gunderson assisted by Mrs. Forrest Henslee and Mrs. E. L. Pohl, dinner reservations and Mrs. Clifford Frasher and Mrs. E. G. Harkins, tickets.

Club President, Mrs. Stanley Venne, will conduct a brief business meeting prior to the fashion show.

Mrs. L. Mattson, Carl E. Brinker Exchange Vows

United in marriage during a double ring ceremony Saturday, Sept. 14 at Christ the King Lutheran Church parsonage in Escanaba were Mrs. Lilly Mattson of Newberry and Carl E. Brinker of Wells.

The Rev. Erland Carlson officiated at the nuptials at 7:30 p.m. Attending the couple were Mr. and Mrs. William Mattson of Ontonagon, son and daughter-in-law of the bride.

For her wedding, the bride wore a three piece peacock blue silk shantung dress with matching accessories and she was presented a corsage of white carnations and stephanotis.

Mrs. Mattson was attired in a hunter green dress with tan accessories and pinned a corsage of white carnations and daisies.

Special guests at the ceremony were Mr. and Mrs. John R. Richards of Escanaba, daughter and son-in-law of the bridegroom.

A small reception for relatives and close friends of the couple was held immediately following the ceremony at the Brinker home in Wells.

The couple will make their home at 507 2nd Ave. N., Wells. The bride formerly operated the Sunset Cabins in Newberry and Mr. Brinker is a retired Great Lakes seaman.

Corn Festival Wednesday At Country Club

The annual corn festival for all ladies of the Escanaba Country Club will be held Wednesday, Sept. 18 beginning at 6:30 p.m.

The golf event for the day will be a flag tournament and closest to the pin on 3 and 7. Members are to make their own foursomes.

A business meeting will follow the dinner and officers for the coming year will be elected.

The committee for the day includes Mrs. Kirk Harrington, Mrs. Henry Sauers and Mrs. Paul Joran. Reservations may be made by calling the clubhouse, 786-1701 or Mrs. Kirk Harrington, 786-3197 by Tuesday noon.

Women's Activities

DR. WENDELL PHILLIPS, 46 who reportedly owns $120 million in oil and other assets, was married to Shirley Au, 18 of Honolulu on Saturday. Her father is a supervisor at the Pearl Harbor Naval Shipyard. Miss Au, a 1968 high school graduate, said she has known Phillips for more than seven years. "He's an old family friend," she said. This picture was taken at a cocktail party last March. (AP Wirephoto)

Cherry Whirls For Morning 'Coffee'

With so many women stopping off for coffee at friends' homes, these cherry whirls are something new and easy to make with a biscuit mix.

CHERRY WHIRL BISCUITS

1 (1 lb.) can or jar dark sweet cherries, pitted
3 cups biscuit mix
½ cup sugar
1½ teaspoons grated lemon peel
¼ cup butter
½ cup milk
1 cup cottage cheese

Drain cherries, cut into halves. Combine biscuit mix, ¼-cup sugar and ½-teaspoon grated lemon peel. Cut in butter. Stir in milk to form stiff dough. Roll out to a 10x14-inch rectangle. Combine cottage cheese, ¼-cup sugar and 1 teaspoon grated lemon peel. Spread over dough. Sprinkle with well-drained cherries. Roll up, beginning at wide end. Cut into 12 slices. Place on greased baking sheer. Bake at 375 degrees for 30 minutes or until golden brown. Serve warm. Makes 12.

Cherry whirl biscuits great with coffee.

Chili Goes In Casserole; Top With Corn Bread

Feel like you just can't think of another quick casserole? Look to your canned goods shelf of convenience foods for two cans of chili con carne.

These can be dressed up with chopped green pepper, popped into a casserole with a corn bread topping and baked for a quick and easy main dish.

When making the corn bread, it's important not to over beat so it stays tender.

Chili Deluxe

2 cans (15 ounces each) chili con carne
¼ cup finely chopped green pepper
2 tablespoons flour
1 tablespoon sugar
1 teaspoon salt
1 tablespoon baking powder
1¼ cups corn meal
1 egg, beaten
⅔ cup milk
2 tablespoons lard, melted

Mix chili con carne and green pepper. Place in 8x8-inch cake pan. Place in oven (400° F.) to heat for 5 minutes. Sift together flour, sugar, salt and baking powder. Stir in corn meal. Add egg, milk and melted lard, stirring only until dry ingredients are moistened. Do not over beat. Cover meat mixture with batter and make in a hot oven (400° F.) 15 to 20 minutes or until browned. 6 servings.

More people get more news from newspapers than all other sources combined.

Births

TRUCKEY — Mr. and Mrs. James Truckey of Gladstone Rte. 1 are the parents of a daughter, Valerie Ann, weighing 7 pounds and 3 ounces born at 8:23 p.m. on Sept. 12. Mrs. Truckey is the former Barbara Randall.

TARDIFF — A son, Todd Michael, weighing 8 pounds and 15 ounces was born to Mr. and Mrs. Robert Tardiff of 120 S. Court, Gladstone at 9:09 p.m. on Sept. 12. The mother was Maureen Weber.

JOHNSON — At 1:40 p.m. on Sept. 13, a daughter, Lynn Theresa, weighing 10 pounds and 9 ounces was born to Mr. and Mrs. Stanley Johnson of 613 N. 18th St. Mrs. Johnson is the former Mary Miller.

Wilson

Sgt. Michael Hart, Washington, D.C. and his guest, Miss Eeth Bleichroth of Chicago, left Friday after visiting the past week with the former's parents, Mr. and Mrs. Ed Hart of Wilson. On Wednesday, Mr. and Mrs. Hart, Wilson, James Hart of Bark River and Sgt. Hart went to Iron Mountain to attend the funeral of Mrs. Hart's uncle, Axel Sackerson.

THE COMB IN PUBLIC

The charming and elegant woman never combs her hair in public. Naturally, it goes without saying that if you are at a restaurant or any public place, and a stray strand falls into your face, excuse yourself and go to the powder room for a quick repair job.

Pari-Mutuel Held Saturday At Highland

A total of 88 golfers participated in the final mixed parimutuel of the season Saturday at the Highland Golf Club.

Placing first was the team consisting of Jerry Martin, Arlene Smith, Doris Costley and Tom Walton with a 60. Second was the team of Dave Friets, Belle LaCasse, Bill Call and Bob Carlson with a 63 and third place went to Mel Manske, Marina Chapekis, Carlton Olsen and Carl Fassbender with a 65.

Dave Friets paced the men golfers for the afternoon with a 35 and Elaine Fairchild was low for the women with a 49.

Golfing began at 2:30 p.m. with a shotgun start and an Italian style dinner was served at 7 p.m. Mr. and Mrs. Alan Davidson were chairmen of the successful affair.

hints from Heloise

By HELOISE CRUSE

Dear Heloise:

Our home is like most of those being built nowadays . . . very small dining room, fair sized living room, large attractive family room, etc.

We have often been frustrated by the small dining room when we had dinner parties. And because we use the family room instead of the living room as the center of family and social activities, we decided to reverse our setup!

We simply converted the living room into a large dining room. Now, instead of guests entering the front door and seeing a living room off the hallway, they see a very nice formal dining room. One that allows us to enjoy the fireplace and spread our elbows while eating, making it possible to entertain a larger number of people.

The former dining room makes a cozy little sitting room off the kitchen.

Though a number of our neighbors in similar houses were aghast at first when we changed the standard plan, we have found the change an excellent one for our purposes.

Bob Coleman

★ ★ ★

Hop to it, folks, if you're unhappy with the arrangement in your home. If you don't like it you can always put it back.

It's so easy for us all to get in a rut. Why not try something a bit different and put a little spice in our lives, eh?

Heloise

★ ★ ★

Dear Heloise:

I needed half a banana this morning but hated to cut a large one in half because I knew the unused cut end would turn dark.

Inspiration! I cut it and coated the exposed end with a film of soft margarine. It sure worked. Didn't turn dark at all.

Mrs. Geo. H Handwork

★ ★ ★

Plastic wrap works, too!

Letter Of Laughter

Dear Heloise:

Mornings when I get up feeling lazy and would rather sit down all day in the lounge chair, I just pour myself into my tight capris.

That makes sitting so uncomfortable, that you wouldn't believe the stand-up work I can get done. Like ironing, sweeping or window washing?

The Procrastinator

★ ★ ★

Dear Heloise:

I covered my basement ceiling with burlap.

It comes in many colors in widths up to 47 inches. I just stapled it on with a heavy-duty stapler.

I think it would also be fine for covering old ceilings.

Cardinals Clinch National League Pennant

Five Hit Spree Topples Houston

By The Associated Press

Curt Flood's champagne spray gave the St. Louis Cardinals that heady feeling again before Cincinnati's George Culver officially popped the cork.

Flood's five-hit spree in a 7-4 victory at Houston Sunday got the Cardinals' National League pennant party off to an early start.

But the champagne stayed on ice for one anxious hour before word arrived from the West Coast that Cincinnati had eliminated the second place San Francisco Giants 4-0 on Culver's four-hitter.

Then the bubbly flowed as the Cardinals celebrated their second successive flag and third in the last five years.

"It's good to be right on the scene when this is going on," said General Manager Bing Devine, who rejoined the Cardinals this season after three years with the New York Mets.

"This is the game you wait for from March 1st on," said Flood, whose five singles in five trips to the plate raised his batting average six points to .302.

Sunday's victory, coupled with San Francisco's loss to the Reds, sent the Cardinals 12½ games ahead of the Giants, who have just 12 to play.

Pittsburgh trimmed New York 3-0 on Steve Blass' two-hitter, the Chicago Cubs blanked Philadelphia 4-0 behind Ferguson Jenkins and rookie George Stone hurled Atlanta past Los Angeles 5-2 in other NL games.

Detroit moved closer to the American League pennant by pounding Oakland 13-0 while Cleveland downed runner-up Baltimore 2-0, the streaking New York Yankees edged Washington 3-2, Minnesota nipped Boston 3-2 and California beat the Chicago White Sox 4-1.

Southpaw Steve Carlton pitched the Cardinals to their biggest victory of the year, surviving Houston 11 hits, including Jim Wynn's two-run homer, to bring his record to 13-11.

Flood and Roger Maris, who knocked in three runs with his fifth homer and a sacrifice fly, paced the Cardinals' 15-hit barrage against Don Wilson, 13-15, and three Houston relievers.

Carlton fell behind 2-1 when Wynn unloaded his 23rd homer in the first inning, but Flood's second hit and Maris' homer sent the Cards ahead to stay in the third. Orlando Cepeda drilled a two-run single in the fifth and the champs added two more runs in the sixth on Flood's bases-loaded single and Maris' sacrifice fly.

Culver, a last-minute replacement for Mel Queen, the Reds' scheduled starter, finished the Giants with the help of a three-run seventh inning uprising. Pinch hitter Mack Jones lashed a two-run single off Ray Sadecki to snap the scoreless deadlock and Tony Perez extended his hitting streak to 15 games with a run-scoring double.

Culver allowed just one hit—Willie Mays' ninth inning double—after the fifth in bringing his season mark to 11-15.

Blass, 16-5, struck out 10 Mets and drove in two of the Pirates' runs with singles in the second and fourth innings.

Billy Williams doubled in two Chicago runs and Adolfo Phillips homered, helping Jenkins, 18-14, breeze past the Phillies with an eight-hitter.

Stone nailed his seventh victory in 10 decisions with relief help from cousin Cecil Upshaw as the Braves subdued the Dodgers. Felix Millan, Hank Aaron, Joe Torre and Mike Lum each poked two hits and drove in a run.

Sundalius Cops One-Club Crown

GLADSTONE — Jim Sundalius topped the 34 golfers entered in the Gladstone Golf Club's One-Club Tournament as he carded an 84 using a 4-wood to take first place in the event.

Dean Roddy placed second with an 86 using a 4-wood; Bill Wood recorded an 87 to take third place using a 4-iron. Paul Thurston had an 88 to finish fourth with a 3-iron and J. C. Miller and Harry Schoch tied for fifth with 89's. Miller used a 2-iron and Schoch played his round with a 4-wood.

In the handicap division, Carl Backstrom won a playoff with John McElhatten for first place, both turning in 75's and both using a 3-iron. Tippy Legault finished third using a 2-iron to score a 76 and Don Lahtinen beat Jerry Dupont in a playoff for fourth place using a 5-wood to record a 78. Dupont's 78 for firth place was fired using a 4-iron.

Dorothy Coulter topped the women golfers with a 115 actual using a 4-wood and Ardell Backstrom took the women handicap honors with a 96 using a 5-iron.

Broncos Notch Conference Win

Bark River and Pembine, Wis., scored victories in Wolverine Conference football games Saturday. Bark River romped Rock, 56-0, and Pembine nipped Powers-Spalding, 28-13.

Bark River scored nine touchdowns against Rock with Ken Veeser leading the way, as he crossed the goal line four times on runs of 55, 30, 20 and 11 yards. The other Bark River tallies came on a 45 yard pass interception by Tom Fournier; a three-yard run by Russ Pirlot, a 10-yard run by Len Olson; a 20-yard run by Tom Shiverski and a nine-yard pass to Joe Shiverski from Pirlot. Jim Bruce kicked one extra point and Dan Veeser took a pass from Pirlot to score the other one. The other seven extra point attempts failed.

Pembine scored once on a pass play and three times on runs in their victory over Powers-Spalding. The Powers-Spalding touchdowns came on a fumble recovery by John Nelson and a touchdown pass from Jack Fleetwood to Kim Reidy. Bob Mileski ran for one extra point.

Mileski led the Tigers in rushing with 95 yards before being injured with a twisted ankle. Dick Smith added 56 yards.

In the Bark River-Rock contest, Ken Veeser picked up 142 yards on the ground in eight carries. Bark River had 328 total yards in the game, 267 rushing and 61 passing. Fournier and Dan Veeser had pass interceptions and Bark River also recovered two fumbles.

Indians Blank Orioles; Race May End Tonight

By The Associated Press

The end could come tonight in the American League pennant race if lagging Baltimore obliges the Detroit Tigers by losing to Boston.

The Orioles send Tom Phoebus, with a 14-14 record, to the mound against Red Sox hurler Jim Lonberg, 5-7.

A loss by Baltimore and a victory by the Tigers in their contest with New York would clinch the pennant for Detroit.

While the Tigers were beating Oakland 13-0 Sunday, the Orioles were shut out by Stan Williams as he pitched a four-hitter for the Cleveland Indians.

Singles in the fourth inning by Dave Nelson and Richie Scheinblum, plus Lee Maye's infield out, gave the Indians the only run they needed.

Max Alvis put frosting on the cake with a homer in the seventh for Cleveland.

In other American League action Sunday, the Yankees stretched their winning streak to 10—highest in the majors this season—with a 3-2 decision over Washington, Minnesota shaded Boston 3-2 and California topped Chicago 4-1.

The Yankees bunched three runs in the fourth inning and hung on to nip the Senators for their 10th straight.

Fritz Peterson won his sixth straight with late-inning help from Lindy McDaniel. Tom Tresh singled and scored on Mickey Mantle's double in the fourth. Then singles by Joe Pepitone and Ellie Rodriguez drove in two more. Home runs by Ken McMullen and Tim Cullen accounted for Washington's runs.

Stan Williams threw a four-hitter at the Orioles and left Baltimore 10½ games behind Detroit with only 11 to play.

Max Alvis homered for the Indians.

Bob Allison, who had homered earlier, drove in Minnesota's winning run with a ninth inning double as the Twins nipped the Red Sox.

Cesar Tovar singled and stole second before Allison delivered. Rookie Gerry Moses slammed a two-run homer for Boston.

California's Andy Messersmith beat Chicago on just four hits with the Angels packing 10 singles and all their runs into the first five innings.

Singles by Jarvis Tatum, Bobby Knoop and Jim Spencer and a sacrifice fly by Bob Rogers gave the Angels two runs in the fourth and three singles and an error by Ken Barry produced two more in the fifth.

Eskymos Hit Quick, Romp To 41-6 Win

By DAVE ANDREWS

Scoring four of the first six times they touched the football, the Escanaba Eskymos may have run Collegiate Institute of Sault Ste. Marie, Ont., back to Canada permanently Saturday.

The Eskymos rolled to a 27-0 lead early in the second quarter behind the running of Ken Robitaille, Jim Olsen and Greg Johnson, then coasted to a 41-6 victory in what might have been Canadian Soo's last appearance in Escanaba.

Uses Whole Team

With different eligibility standards for high school athletics in Canada's 13-grade high school program, the Wildcats were forced to play without six starters who were too old to qualify under Michigan high school rules.

Using a full roster a year ago, Soo gave Escanaba a battle before losing 6-0. Saturday, without six starters, the Wildcats were no match for the Eskymos as Coach Jerry Cvengros began substituting early in the second period and before the afternoon was over used all 39 players who dressed.

Soo Coach Norm Bolitho told Cvengros after the game that he couldn't continue to play here with only part of his full team in uniform.

Even with six more bodies Saturday, it's doubtful if Soo could have matched the initial surge of Escanaba.

In less than 15 minutes, the Eskymos had four touchdowns to cement their 14th consecutive victory over the past three seasons.

Taking a Soo punt on their own 40 yard line with the game moments old, the Eskymos thrust into the end zone in four plays.

A long pass on the first offensive play from Johnson sailed over the fingertips of Dan Mylander on the Soo 15 yard line, but an offside violation gave Escanaba five yards to the 45. Mylander then ripped through left tackle for nine yards and a 15-yard walkoff set up Robitaille on the Soo 31.

Intercepts For TD

After gaining nine yards to the 22, the senior tailback took a pitchout from Johnson and scooted 22 yards to paydirt with the game only 2½ minutes old.

Robitaille also produced the second touchdown by timing a Barry Cozac pass along the eastern sidelines, intercepting and sprinting 55 yards untouched into the end zone with 4:12 to play in the quarter.

A minute and four seconds later, after Canadian Soo could gain only four yards and punted to their own 46 yard line, it was Jim Olsen's turn. The senior fullback warmed up with a four-yard charge, then burst through the middle for a 42-yard touchdown run.

Mylander ran for Escanaba's 20th point, taking a lateral from holder Bob Gauthier after a high snap from center prevented a kick attempt.

Recover Fumble

Early in the second quarter, the Eskymos capitalized on a fumble recovery and scored from the Soo 33 yard line in seven plays, despite a 15-yard penalty for holding. Johnson did the damage this time, flipping to Mylander for 20 yards and then dashing 29 yards to the Soo four-yard line on a keeper.

Robitaille got his third touchdown on a two-yard plunge and Mylander again added the extra point.

"I was pretty well satisfied," said Cvengros. "Defensively we did a pretty good job. We covered the pass well and got a good pass rush. I was real pleased with the secondary work."

The Eskymo line caught Soo backs 13 times for losses totaling 48 yards. The Soo added another 30 yard reverse to its total with a high pass on a punt, setting up Escanaba's fifth touchdown early in the third quarter.

March 76 Yards

The Eskymos took over on the Soo three-yard line and Mylander carried for the score from two yards away after only 2:33 of play.

The final score came in the fourth quarter on a 76-yard march in 16 plays engineered by Gauthier, who came up with a 10-yard pass on one fourth down play to end Gene Timmer and later pitched seven yards to Bill Baum to keep the drive alive. Junior ed Gafner scored from inches away after Bruce Irving made a first down just short of the goal line.

Canadian Soo's only touchdown came in the second quarter, largely on the efforts of Cozac.

The Wildcats moved 73 yards in nine plays with Cozac providing the big gainers with passes to John Hollingsworth and Brad Jourdin. The strike to Hollingsworth netted 23 yards, while a screen to pass to Jourdin gained 35 to the Escanaba 17.

Halfback Bruce McMillan ripped for 14 to the three, and two plays later Cozac found Hollingsworth open over center for the score.

Kingsford Next

The Eskymos got strong defensive performances early in the game from linemen Jim Derouin, Kent Anderson and John Mileski, who spent most of their time chasing Cozac and the rest of the Soo backs. Mike Dupont also was outstanding.

Escanaba will put its 14 game streak on the line next Saturday against Kingsford.

"I hate to use scores as a comparison," said Cvengros, "but Kingsford lost only 18-0 to Antigo and last Friday Antigo beat Marinette 34-0."

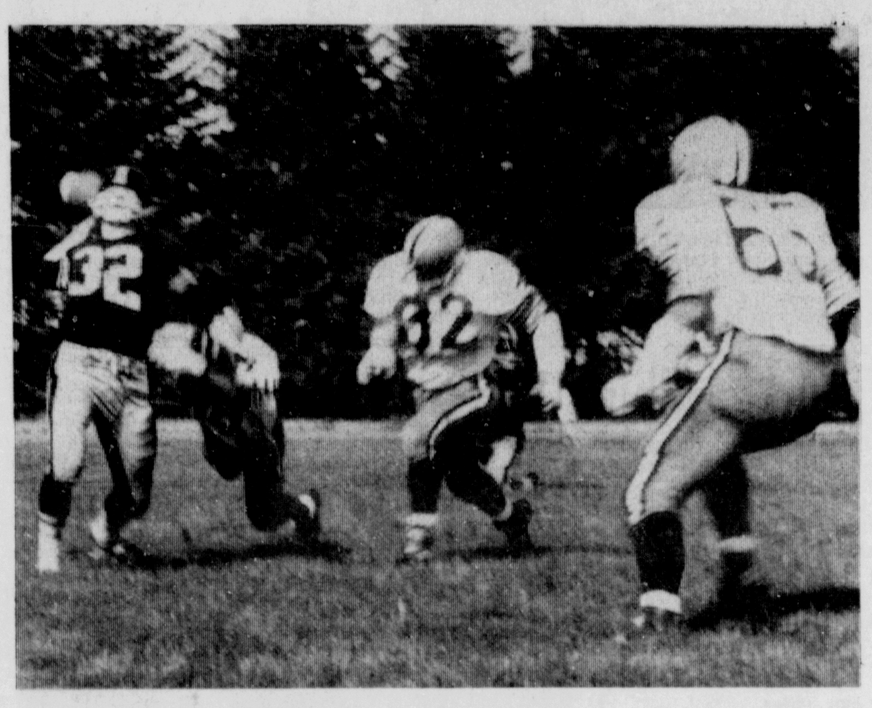

The Great Northern Conference battle will begin at 2 p.m.

(Daily Press Photo)

Smith Names Series Rotation After Win

DETROIT (AP)— Detroit Tiger Manager Mayo Smith doesn't seem to be worried about having a rusty bullpen despite nine straight complete games by his starting pitchers.

"We'll get 'em tuned up," Smith said after Detroit clobbered Oakland Sunday 13-0 behind Mickey Lolich's three-hitter. "They've been pitching a lot of batting practice," he added.

And the Tigers got a lot of batting practice Sunday as they blasted five Athletics' pitchers for 15 hits, including two home runs each by Bill Freehan and Jim Northrup and a solo drive by Willie Horton.

Smith said in the Tiger dressing room after the game that Lolich's 12-strikeout, performance hasn't affected his decision on the probable pitching rotation for the World Series against St. Louis. Lolich is now 15-9.

Although Detroit hasn't clinched the pennant, a win tonight against New York combined with a Baltimore defeat against Boston would do it.

The Tigers lead Baltimore by 10½ games.

Smith declined to say whether he has chosen his starting pitcher for the first game of the World Series, but indications are that it will be 30-game winner Denny McLain. He did say that McLain, Lolich and Earl Wilson would be his series starters and that John Hiller, Pat Dobson and other Detroit pitchers would be used in relief.

Smith said Tiger Stadium is rough on pitchers and Detroit bats would have the edge against Cardinal hurlers in Detroit.

"You've got to be a pretty good pitcher to pitch here," Smith said.

He said he expects St. Louis mound ace Bob Gibson to start the first series game for the Cardinals. "I'm sure of it," he said, "well—almost sure."

The Cards clinched their second consecutive National League pennant Sunday by whipping Houston 7-4.

In Sunday's Tigers-A's game Detroit gave Oakland only a slight chance and led 9-0 after five innings and 13-0 after six.

Freehan hit a pair of two-run home runs in the third and fifth innings, while Northrup hit a two-run shot in the first and a solo blast in the sixth. Horton's homer followed Northrup's first shot.

Detroit's 15-hit output equalled their season's high. After the game first base coach Wally Moses, who also coaches the hitters, quipped with a laugh, "How many hits did I get today? Fifteen!"

Lolich, meanwhile, said he felt he was throwing better than he did last year when he won nine of his last 10 games. He said his parents were in the stands and "this was the first time they ever saw me win in the majors."

"The bullpen definitely helped me," he said, "before that my rhythm and timing were off."

But he added, "I'm the kind of guy who has to pitch a lot. Six or seven days between starts just doesn't agree with me at all. I like to pitch every four days."

Lolich, who only once allowed a runner to reach second base, also doubled and scored a run in the fourth inning and knocked in a run in the sixth with a single.

Northrup's first home run was in the upper right field deck and drove in Mickey Stanley who had walked in the first. Horton followed with a homer in the upper left field stands, his 36th of the year.

In the third Cash doubled after two were out then Freehan unloaded with his first homer of the game in lower left. That knocked starter Lew Krausse (10-11) from the mound and brought in Rollie Fingers, making his major league debut.

Fingers lasted just two innings as Dick McAuliffe singled home a run in the fourth, then Freehan belted his second homer of the game in the lower left field stands after Cash walked. Then Tom Matchick tripled and scored on a wild pitch to make it 9-0.

Ed Sprague came on to pitch in the sixth for the A's. He was greeted by Northrup's second homer and 19th of the season. Horton then singled, followed by a single to Cash and a walk to pinch hitter Gates Brown filling the bases.

Warren Bogle replaced Sprague and Matchick responded with a sacrifice fly scoring pinch runner Wayne Comer. Lolich and McAuliffe then singled in runs to complete the Tiger scoring.

Detroit is hoping for more booming bats tonight against New York, which has won 10 straight games for the longest win streak in the majors this season.

Detroit's John Hiller (8-5) is scheduled to oppose Joe Verbanic (6-5) on the mound. Earl Wilson (13-12) is expected to go against Stan Bahnsen (16-10) Tuesday night, with Denny McLain (30-5) looking for his 31st win Wednesday night against Mel Stottlemyre (10-11).

Application blanks may be obtained at the City Manager's office.

Last date for filing applications September 27, 1968.

Minimum qualifications 8th Grade Education, Mechanical aptitude and some mechanical experience.

CITY OF ESCANABA

DENNY MCLAIN, Detroit Tigers pitcher, fires the ball in the first inning of a game Saturday with the Oakland Athletics in which McLain picked up his 30th win of the season, making him the first pitcher since Dizzy Dean to win that many games. (AP Wirephoto)

McLain Asking $100,000 Salary For Next Season

DETROIT (AP)—Denny McLain of the Detroit Tigers has his name in baseball's record books and a quarter-of-a-million dollars on the way to his bank book—two items which undoubtedly make it difficult to locate any reason for an encore.

But there still are two targets for McLain: The $100,000 salary—or more—which he insists he will get from the Tigers and the opportunity to become the first pitcher in half-a-century to win as many as 33 games.

The 24-year-old Tiger right-hander, also known for his organ music, became the first 30-game winner in the majors since Dizzy Dean in 1934 when he defeated the Oakland A's 5-4 Saturday.

But McLain admittedly wasn't only shooting for the record books against the A's. According to his agent, Frank Scott, some $200,000 in endorsements awaited victory No. 30, and McLain himself put his stamp on a $100,000 salary.

McLain, who is being paid an estimated $35,000 while becoming baseball's biggest hero since Roger Maris of the New York Yankees when he hit 61 homers in 1961, said it simply and sharply for all to hear in the Tiger dressing room before he went out to pitch.

"I want $100,000 and that's what I'm going to get," he said. "I don't care if they (the Tigers) care about me saying it. And I'm not saying I'm stopping at $100,000. I didn't say $100,000 and what. You know, $100,000 isn't much today."

Whether he gets it or not still remains conjecture since the only man able to answer the question, Detroit General Manager Jim Campbell, said he refused to discuss the situation.

If accomplishing a feat that hasn't been achieved in 34 years and eluded such pitching greats as Sandy Koufax, Bob Feller and Whitey Ford doesn't impress Campbell, McLain can always add to his credentials.

According to Manager Mayo Smith, McLain probably will get three more starts before the end of the regular season and, therefore, can reach as high as 33 victories. No pitcher has been able to put together that many since Grover Alexander of Philadelphia in 1916.

Meanwhile, McLain will just have to be content with what he has, the estimated $200,000 according to Scott.

"I would say," said Scott, "that McLain can equal what Maris made—and that's tops so far."

It was enough to make Dean, who was on hand for the occasion, just a bit envious.

"I didn't make a dime out of my 30-win season," said Dean, although he pointed out he did add to his salary with two ventures not necessarily directly related to 30 victories—$54,000 from a post-season barnstorming tour and $15,000 for a comic strip using his name.

Dean also thought McLain could duplicate his 30-victory season next year.

"McLain certainly can come back and win 30 again," he said. "It takes a lot of luck and breaks, and you can't lose many, but some teams will be weaker next season because of expansion."

Whether McLain wants to do it again is another question. He admittedly was under pressure in the days leading up to his shot at No. 30 and there was the added wrinkle of producing before a national television audience.

He disclaimed any tenseness or any buildup of pressure when he came to the ball park Saturday at 12:13 p.m., just over two hours before the start of the game. But he was hiding behind a self-imposed front.

It had been a hectic two days at his suburban home in Beverly Hills, which wound up serving as a rehearsal hall for the quartet McLain will take on tour after the season, an office for his agent and a tourist spot for news media representatives.

The phone kept ringing, the music kept playing—and all throughout McLain tried to use the press of business and his organ as instruments of relaxation.

"With all that going on I really didn't have too much time to think," McLain said after No. 30 was in the books. "But then it would just pop into my head."

It was an admission he wouldn't make prior to the game, acting completely nonchalant as he talked in the dressing room with newsmen. At the same time, he left no doubt he only wanted to be faced with the prospect once, saying:

"I'd like to get it over with. It's like climbing up a hill and being just a couple of inches away. You want to make it the rest of the way."

With that in mind he went to the mound. It wasn't a strong performance—he allowed two homers and trailed 4-3 going into the bottom of the ninth—but a two-run ninth inning rally by the pennant-bound Tigers pulled the game out and it was all over.

Then he was standing in front of exploding flash bulbs in the Detroit dressing room while outside in the stands the fans were chanting:

"We want Denny. We want Denny."

And so, escorted by police, McLain went back out on the field to acknowledge the cheers of his public.

Minutes later he was back in the dressing room and being pressed to describe his feelings. And suddenly, the tough-looking kid with an answer for everything found it difficult to find words and replied in a somewhat mundane manner:

"I guess I got goose bumps and everything."

Packers Stun Eagles To Coast To Victory

GREEN BAY, Wis. (AP) — The world champion Green Bay Packers stunned the Philadelphia Eagles with a succession of long gainers and coasted behind Bart Starr to a 30-13 victory in a National Football League opener Sunday.

Starr passed 12 yards to Carroll Dale for one touchdown and 55 yards to Boyd Dowler for another to lead the route of the sluggish Eagles and make a success of Phil Bengtson's official debut as Green Bay coach.

Meanwhile, the Packer defense kept Uing Hill and the Eagle offense from a touchdown until the final period. By that time, the Packers had built a 27-6 lead.

Herb Adderley put the Packers in position for their first touchdown—a six-yard slash by Jim Grabowski—with a brilliant return of a kickoff.

The Eagles had jumped off to their only lead-3-0-on a 27-yard Sam Baker field goal before Adderley's romp.

Bob Jeter scooted 29 yards with an interception of a Hill pass to set up the Packers' second touchdown, which came on the 12-yard Starr toss to Dale early in the second period.

The Eagles countered with a 17-yard Baker field goal only to fall hopelessly behind on Starr's bomb to Dowler after an onside kick attempt fizzled.

Dowler caught the touchdown pass after it skidded through the hands of defender Al Nelson.

After intermission, Jerry Kraner kicked the first of his three field goals. He connected from the 17 after Donny Anderson took the ball in close with a 42-yard romp through tackle. The Eagles drove 72 yards for a touchdown early in the final period. Gary Ballman scored it from the two on a pass from Hill.

Cowboys Reach Highest Point Total In History

DALLAS, Tex. (AP) — The Dallas Cowboys amassed their highest point production in history as they whipped Detroit 59-13 Sunday, snapping the Lions' streak of seven consecutive opening-game victories.

Ignited by a fantastic performance from quarterback Don Meredith, the Cowboys smashed into smithereens the long-standing image that Detroit had one of the toughest defenses in the National Football League.

"We just couldn't hold them off on defense," said Wayne Walker. The Cowboys ran the Lions ragged with 542 yards in total offense.

Rookie quarterback Greg Landry played the entire game for the Lions, completing 15 of 31 passes for 231 yards but yielding four interceptions.

"I don't have any excuses," Landry said. "I lack experience. There isn't much I can do about that now."

Meredith routed his boo-bird critics from their Cotton Bowl perch with perhaps his greatest with Baltimore.

"I've never seen Don sharper. It was a great performance," said Dallas coach Tom Landry. Meredith, plagued by a sore arm, nailed bullet Bob Hayes for a 50-yard touchdown pass attempt in the NFL and his 1,000th completion.

Dandy Don was sizzling hot, hitting 16 of 19 passes for 228 yards.

Meredith was pulled out in the third period in favor of Craig Morton and cries of "we want Meredith" rang in the stands. Last week it had been "We want Morton."

The Central Division Lions, their regular quarterback Bill Munson sidelined with pulled chest muscles, took the opening kickoff and rolled to a touchdown under the leadership of Landry, a rookie from Massachusetts and a first round draft pick.

The payoff came on a 45-yard pass from Landry to speedy Mel Farr, who outraced the Dallas secondary.

But the Cowboy defense, one of the best in football, came alive and the defending Eastern Conference champions and Capitol Division team began to pick off passes and turn them into points.

Middle linebacker LeRoy Jordan intercepted one pass to set up a one-yard touchdown plunge by Dan Reeves. Later in the second period, Chuck Howley picked off a sideline pass and raced 35 yards to the end zone behind beautiful downfield blocking as the Cotton Bowl crowd of 61,382 screamed approval.

Dallas took a 31-7 halftime lead to the dressing room when Mike Clark kicked a 16-yard field goal.

The Cowboys didn't lessen the pressure in the second half, taking the kickoff and driving 71 yards in seven plays with Reeves rambling across from the two.

But Landry retaliated with a classy play in the third period, nailing flashy Earl McCullouch with a quick strike good for 80 yards and a touchdown.

Morton operated at will against the usually fierce Lion defense in the second half with drives that twice resulted in one-yard touchdown runs by second string fullback Walt Garrison.

Landry had trouble with the Cowboy linebackers sifting into the passing routes with Howley and Dave Simmons also snaring wayward passes.

Meredith took Dallas to scores five of the six times the Cowboys had possession of the ball.

The record breaking points came with 2:18 to play when Morton rifled a 36-yard touchdown pass to rookie Dennis Homan of Alabama, who had outstripped the tiring Lion secondary.

Morrall Gets Game Ball After Colts Top 49ers

By The Associated Press

Johnny Unitas says he had a perfect game.

"I didn't make a mistake," he said.

Earl Morrall says he "made about 20 mistakes that John wouldn't have made." But Morrall, the on-the-spot quarterback for the Baltimore Colts, was given the game ball as the team's outstanding performer Sunday in its 27-10 victory over San Francisco.

Unitas, the Colts' veteran leader, made his quip from the sidelines, nursing an injured right arm. Morrall, acquired from New York less than a month ago and with minimal experience with the Colt system, was thrown into the breech.

He completed 16 of 31 passes for 198 yards and two touchdowns.

In other National Football League games Sunday defending champion Green Bay bombed Philadelphia 30-13, Dallas blasted Detroit 59-13, Cleveland took New Orleans 24-10, New York beat Pittsburgh 34-20 and Washington defeated Chicago 38-28.

The league opened its 49th season Saturday night with Minnesota blasting Atlanta 47-7, and opening weekend continues tonight with Los Angeles at St. Louis.

In the American Football League, New York edged Kansas City 20-19, Oakland crushed Buffalo 48-6 and Cincinnati upset Denver 24-10. Houston beat Miami 24-10 Saturday night.

Morrall, a 12-year veteran, had his second pass of the day intercepted and returned for a touchdown. But he came back with confidence, directed a 72-yard scoring drive and then passed for touchdowns on tosses of eight and 16 yards.

"Earl was on the spot all week getting ready for this game," Coach Don Shula said, and he produced when it counted. He handled it like the guy we need to back up Unitas."

Sonny Jurgensen demonstrated he was completely recovered from his elbow operation, firing four touchdown passes—including one of 99 yards to Gerry Allen—in Washington's victory over Chicago. He also connected on scoring passes of 16, six and 19 yards.

Ron Blye's two long kickoff returns set up a pair of early New York touchdowns and the Giants took it from there against Pittsburgh. Fran Tarkenton threw touchdown passes of 10 and 13 yards following Blye's heroics and later scored on a four yard run.

Cleveland used a couple of pass interceptions to break a 10-10 tie and beat New Orleans. Brown defensive back Ernie Kellelman stole a Bill Kilmer pass in the fourth quarter and seven plays later the Browns scored. Moments later Bill Glass picked off another Kilmer pass and raced 17 yards for a insurance touchdown.

OUR BOARDING HOUSE with Major Hoople

OUT OUR WAY by J. R. Williams

Local Teachers Take NMU Work

Eight faculty members of the Manistique Area Schools have registered for the Recreational Conservation course being offered by Northern Michigan University at the Gladstone High School.

Dr. Alfred Neimi is instructor for the four hour credit course which meets every Wednesday from 6:30 - 9:30 p.m. Enrollees include Mrs. Richard Bonifas, Mrs. Norman Jahn, Jr., Mrs. James Malloch, Mrs. Leo Sitkarski, Mrs. Gladys Mercier, Mrs. Earl H. LeBrasseur, Rick Larson, and John LaPointe.

Golf Club Finale Will Be Sept. 21

Indian Lake Golf and Country Club will hold their final dinner-dance of the season Saturday, Sept. 21, at the club. A social hour from 6-7 p.m. will precede the 7 p.m. dinner. Dancing to the music of the Gorsche Trio will follow the dinner.

Tickets at $6.00 per couple are available from the club steward or committee members Mr. and Mrs. William Phillion, Mr. and Mrs. Eugene Carlson, Mr. and Mrs. Glen Pawley, Mr. and Mrs. William Tufnell, and Mrs. Morris Laux. Ticket-reservation deadline is Friday night, Sept. 20.

CATHOLICS OKAY Ys

ST. PAUL, Minn. (AP)—Roman Catholics of the Archdiocese of St. Paul-Minneapolis have been given permission to join the local YMCAs and YWCAs. Coadjutor Archbishop Leo C. Byrne said that "it has become apparent that the historic reasons precluding Catholic membership . . . no longer hold."

MANISTIQUE

Damage Minor In Home Fires

Public Safety Dept. responded to three fire calls over the weekend with minor damages reported on all calls.

At 5:55 Friday night the firemen were called to the residence of Mrs. Alex Holmquist, 211 N. 2nd St., where a faulty light cord ignited window draperies and a window casing. Some smoke damage was also reported.

"Spontaneous combustion" is credited to a minor house fire at the Emil Clemens residence, 220 E. Elk St. at 6:10 p.m. Friday. Reports are incomplete on this call. The damaged home is owned by Merton LaBar, 216 E. Elk St.

At 1:04 Saturday afternoon a garage caught fire on property owned by Dennis Boyd, 552 Manistique Ave. Cause of the blaze is undetermined but the wall of the garage, which was lined with paper, began to smolder.

The Cabinet remained unchanged throughout the administration of President Franklin Pierce.

Football Frosh Fest On Oct. 2

A "Freshman Football Festival" will be held Wednesday, Oct. 2 in Manistique with freshman football squads from Newberry, Munising, and Gladstone hosted by the Manistique High School.

The four squads will play a round-robin against each other. Other activities to be covered include kickoffs, kickoff returns, punts, punt returns, goal line defense, and long yardage situations. In addition to these activities, MHS Athletic Director Richard Bonifas said a regular series of offensive and defensive plays will be executed against the other teams.

Coach Rollie Dotsch of Northern Michigan University will be present at the after-game session and will discuss the aspects of football fundamentals and sportsmanship.

The Green Fire Booster Club will entertain the freshmen in the gym on the festival day with lunch and refreshments. Approximately 110 boys are expected to participate in the festival. Regular ticket prices for freshmen games will be in effect: 50 cents for adults, 25 cents for students, and 50 cents for car parking.

Briefly Told

Board of Supervisors will meet Tuesday night at 7:00 in the Court House. Agenda items include reports on the Zoning Ordinance amendments, ambulance study committee, office quarters for Social Welfare Department, City-County building, and committee report on M&LS right-of-way sale.

Mom's of America Unit 31 will meet Friday, Sept. 20 at 8 p.m. at the VFW Club Rooms. Members are reminded to bring table service. Hostesses are Mrs. Lillian St. John and Mrs. Maude Carefelle.

The Manistique Recreation Commission will meet Thursday at 7:30 p.m. in the Manistique Public Library. The public is invited to attend the meeting.

State police cited Alfred Michalik, Fayette, and Christopher Farrand, Escanaba, for speeding on Saturday. James Herro, Thompson, was cited for careless driving on Friday and James Mariman, Appleton, for speeding. All citations were issued by Michigan State Police.

Card of Thanks

Derosha

I wish to express my sincere thanks and appreciation for the many kindnesses shown me while I was a patient at St. Francis Hospital. A special thanks to friends and relatives for the cards and good wishes sent me and to the second floor staff at St. Francis Hospital.

Sherman Derosha

In Memoriam

Kobasic-Jensen

In loving memory of our dear ones, John Jensen and Charles Kobasic, who passed away Sept. 15, 1963.

We mourn the loss of one's we loved,
We did our best to save;
Beloved in life, regretted still,
Remembered in their grave.
No more upon this earth
We'll see their gentle, loving faces,
There is not one in the wide world
Can ever take their places.

Sadly Missed By

Tracking Dog Is Called To Hunt Missing Woman

HASTINGS (AP) State Police said Sunday they were asked to provide a tracking dog to assist the Barry County sheriff's office in the search for a missing woman.

The request was made after the sheriff's office reported that the woman's purse had been found. Police said the woman reportedly had been missing for about four days.

The sheriff's office at Hastings declined to release the name of the woman or add any other details.

Brillion

BRILLION OFFERS YOU SECURITY AND GROWTH.

How does your present job shape up?

Check the benefits that a job at the Brillion Iron Works offers you against your present job.

The BIW has a solid record of steady growth — over two million dollars in plant expansion and modernization in the last three years. No seasonal lay-offs, and an unbroken record of stable employment. Promotion from within — apprentice programs. Automatic day rate increases in two months — six months and twelve months. The company has an excellent starting rate with opportunity for incentive to $3 plus. Full coverage Blue Cross/Blue Shield group insurance. Openings on all three shifts.

Representatives of the Brillion Iron Works, Inc., will be at the Wisconsin State Employment Service Office, Dunlap Square Building, Marinette, Wis., on Tuesday, September 17, from 8:30 a. m. - 4:30 p. m. and at the Michigan State Employment Service, 110 E. Ludington St., Iron Mountain, Wednesday, September 18, from 9 a. m. - 4:30 p. m.

If you can't visit them, write or phone Employment Manager.
For weekend appointments contact Security Officer on duty.

GLADSTONE

Births

MUELLER — Mr. and Mrs. Gary Mueller, of Milwaukee, are the parents of a daughter, their first child, born Thursday, Sept. 12, in Milwaukee. The infant, who has been named Stacey Ann, weighed 8 pounds 9 ounces at birth. The mother is the former Nancy Snouwaert, daughter of Mr. and Mrs. Jack Snouwaert, 1103 Superior Ave.

Church Events

The Altar Guild of Trinity Episcopal Church will meet at the home of Mrs. Melene Merki, 914 Minnesota Ave., at 8 p.m. today.

4-H Club Elects Mary DeKeyser

Mary Jo DeKeyser was elected president of the Gladstone Community 4-H Club at their regular meeting Thursday evening at the City Hall.

Other officers elected to serve the club for the coming year are Sally Sjoquist, vice president; Cheryl LaFleur, secretary; Lynn Madden, treasurer; and Joan Nelson, reporter. Recreation and song leaders are Cindy LaFleur and Kathy Madden.

Reports were completed on summer projects and U.P. State Fair ribbons were presented.

In Service

Army Pfc Clyde P. J. Caron, 21, son of Mr. and Mrs. Clyde P. Caron, 22½ N. 7th St., Gladstone, was assigned to the 163th Engineer Battalion near Long Binh, Vietnam, as a combat engineer. Caron's wife, Ann, lives at Bark River.

Briefly Told

Minnewasca Chapter 96, Order of Eastern Star, will initiate three candidates at a special meeting Tuesday at 8 p.m. at the Masonic Temple.

Thomas A. Murray of Star Rte, Perronville was ticketed by Gladstone City Police for violation of the basic speed law and for failure to report a property damage accident.

CRAZY HATS are always in evidence at Britain's Royal Ascot races. This one, apple-shaped with an arrow through it, is worn by Mrs. Gertrude Shilling.

Enter our Dress-A-Doll Contest

Want to make a youngster extra happy this Christmas? Come in now, and enter our Dress-A-Doll contest. It's one of the nicest ways we know to help make Christmas merrier for many deserving youngsters of our area. We furnish the dolls free, you add the dress and any accessories you choose.

It's fun to Dress-A-Doll for such a worthy cause, and you may win one of our prizes, too. To help you decide what kind of costume to design, we will give you a folder listing the six costume categories of the contest, plus all additional instructions. Your doll, with others, will be on display in our lobby. Following the display period, all dolls will be distributed as gifts from Santa by a social agency to children of our community that are in need. So stop in soon, and enter our Dress-A-Doll contest.
